

# WINTER POINTS AWARDS 2013

The announcement of the winners of the awards for the 2013 winter season were eagerly awaited by all those in attendance at our opening run of the new season.

Both **Robert Hendy** and **Magnus Michelsson** were in attendance and were able to present their respective trophies to the winners from last season.

The Awards are decided after tallying points allocated for participation in the various events conducted during the winter season. The **Magnus Michelsson Junior Award** was again a very close competition with the final result being decided on the count back system put in place for such situations where there is a tie.

The winner for 2013 was again **Lachie White** who for the second year in a row won by that countback, this time from **Emma Newton**. Again it was the Junior 2.7 hcp run on the day of the Club 5 Mile that got Lachie over the line.

In the **Robert Hendy Senior Award** the Club saw the second female winner, when **Alison Chapman**, incidently the sister of the first female winner **Janette**, announced as the successful athlete for 2013.

The 2014 Awards begin with this season's Laceby Cecil with the first of the bonus points up for grabs in the Senior race.

People having their first run, without any previous/recent form are ineligible for the bonus points as the handicapper has no data on which to compare these athletes to the remainder of the field.
