ROAD RELAYS

Sandown

The Club was particularly short of runners this week, especially in the men's divisions. It is disappointing that such a large membership cannot regularly fill the full quota of teams in the competition. Having made this comment, it should be noted that the situation wasn't helped by the timetabling of the relays on the middle weekend of the school holidays. Generally AV has avoided this happening. Hopefully a similar occurrence can be avoided in the future!

Despite the lack of numbers it was great to have **Jess Lees** with us for the first time. Jess has been a member since the start of the season, however up until now has been hampered by injury. Her performance at the relays shows that she is going to be a real asset for Collingwood.

Jackson Tierney had his first run for the winter while **Amber Louw** did really well to anchor the girl's under 14 team to a bronze medal after having competed an hour earlier in the Little Aths relay. The boy's team in the same age group was able to go one better, grabbing silver.

OFFICIALS: You guessed it ! **Tony Williams** and **Garry McBroom** were with AV again this week and it being a relay event, we had to have a stack of people helping out on the day. **Alison Leutchford**, **Robert Maillardet** and **Kevin Wigmore** represented the Club with the tasks allotted by the organisers, while **Meg Marsh**, **Deb Maillardet**, **Nick Haddon** and **Mark Tierney** all “volunteered” to gather the stats for the team in which they had a

particular interest. Thanks again to all the runners who helped out by gathering the facts and figures for their respective teams – much appreciated.

Thanks to the aforementioned Deb and Kevin for their assistance sorting the results after the race and to **Eugene Nemesi** for his help returning our gear to the car.
