

School Sport Victoria Recognition Award presented to Judy Mason

February 2, 2015/by Chris Kenner

School Sport Victoria (SSV) had much pleasure in awarding Judy Mason with an SSV Recognition Award at its Annual General Meeting on Tuesday 18 November 2014. Judy has been a member of our SSV Family for many years since both her children competed in SSV (then Victorian Secondary Schools Sports Association – VSSSA) competitions. Her son, Bruce, was also a member of the VSSSA Boys Hockey team that competed in Perth in 1988.

Judy's support of SSV includes:

- Her expertise and knowledge to the running of events to ensure their success
- Official for VSSSA Northern Zone and State Championships for both Track and Field and Cross Country
- Official for SSV Northern Metro and State Championships for both Track and Field and Cross Country
- Over the last 10 years, and on behalf of Collingwood Harriers, organised and ran the canteen at the SSV/VSSSA/VPSSA State Cross Country Championships
- Liaison for the Team Vic Track and Field Team for the use of the Collingwood Harriers track for Team Meetings, Team Training and Presentation Days

SSV thanks Judy for her support over the years and wishes her all the best for the future.

Kirsteen Farrance

Operations Manager, School Sport Victoria
