

WINTER POINTS AWARDS 2015

The announcement of the winners of the awards for the 2015 winter season was made after the opening run for this season.

Robert Hendy was in attendance and did the honours, presenting both awards with Magnus Michelsson being unable to be at the Club on this occasion

The Awards are decided after tallying points allocated for participation in the various events conducted during the winter season. The **Magnus Michelsson Junior Award** saw a very clear victory with a huge ten point margin between the first two on the list

The winner for 2015 was **Zoe Cornell**. A quiet achiever, Zoe was a well deserved winner putting in a very even season in which, apart from her success with Collingwood, managed to gain selection in the State Primary Schools' Cross-Country team.

In the **Robert Hendy Senior Award**, the Club saw the relative newcomer, **Dale Carroll**, win in his first winter season with the Club.

In presenting the awards Robert mentioned that success was more than just running well, but supporting the Club by competing as many times as possible.

The 2016 Awards begin with this season's Laceby Cecil with the first of the bonus points up for grabs in the Senior race.

People having their first run, without any previous/recent form are ineligible for the bonus points as the handicapper has no data on which to compare these athletes to the remainder of the field.
