## **President's Report**

As President, it is my proud responsibility to present to you the Annual Report of Collingwood Harriers Athletic Club, and to report to you on the activities of the Club and its Committee.

This year has seen progress made on a number of important issues, although more still needs to be done.

As President, I had not anticipated the volume of work needed, nor the time commitment involved. I had intended to nominate for a position on the Committee, but seeing that there were no nominations for President, I decided to offer myself for that position instead. It has proven to be very demanding, and came at a time when there were competing demands on my time from events in my personal life. I acknowledge that I could have done more, although I gave all the time that I could to the role over this last year. I thank the Committee members whose efforts have made a major contribution to our successes.

### **GOVERNANCE**

The Constitution mandates that the Committee will meet at least four times during the year. This Committee met more than required.

During the year, the Vice President Robert Maillardet resigned. Robert had many good ideas about Club management, and contributed significantly to Committee deliberations. The Committee considered a replacement for the Vice President position, but in the end decided that the position should remain vacant until the AGM.

At the 2017 AGM, only 2 general members of the Committee were appointed, and the AGM decided that this would be the total number appointed. This was not for the best; it meant that there were too few Committee members to carry the workload. At the next AGM I will be hoping for more general Committee members to be appointed.

The Committee has set up several sub committees to progress the day to day work of the club, including summer and winter, and coaching sub-committees.

### **FINANCES**

The Club's finances continue to be in excellent shape, with a little over \$100,000 invested or banked. An audited Finance Report is part of the Annual Report to members.

We are incredibly fortunate in having an athletics track which we can hire to users, a supportive Council which pays for track maintenance and general repairs and upkeep, and a relatively modest Licence Fee to Council for our use of the track. We make this facility available to schools and community groups, and our hire charge to them is one of the lowest in Melbourne. We will review our hire charges when the track reconstruction is complete.

The arrangements for hiring of the track to schools and users takes many hours of work, almost entirely done by our hard-working Treasurer, Sofie Fabre. This is the major source of income to the Club, and if it were not for the many hours put in by Sofie, we would not be in such a good position financially. More than that, the importance of the hiring of the track may justify paying a small fee to someone to handle all the phone calls and emails and manage users. The Committee considered this although we agreed to defer further discussion until the track reconstruction was complete.

The only unusual item of expenditure in this year was the purchase and installation of a security system. This followed numerous break-ins, theft of assets, and vandalism and destruction of property. The Committee hopes that the security system may contribute to a reduction in these unhappy incidents.

Looking ahead, the track reconstruction means that the track is unable to be hired to users, and we now know that this will be the case for most of calendar 2018. While we have asked for, and been granted, a waiver on Licence Fees for the period of track reconstruction, financially we will still be losing the bulk of our income for calendar 2018. Inevitably this will mean a likely reduction in our asset base by the time of the next AGM.

Not included in the Finance Report is a separate fund which has been referred to as the "Coulson Reserve Trust". Funds in this account have been carefully nurtured over many years on behalf of Collingwood Harriers. Work led by Andrew McAdam identified that this fund should be included in the assets of the Club, and discussions with the current signatories are continuing to establish the best way to include it in future reports.

## COACHING

Critical to any sporting club is the quality of its coaches. For athletics clubs this is even more important due to the number of disciplines involved – jumps, throws, sprints, hurdles, middle and long distance, walks, steeplechase etc. While Collingwood has some outstanding coaches, it was my hope in coming to this role that we could both be more supportive of our coaches, and work towards better coordination and integration, not only for our coaches but also with the Little Athletics coaches.

Work begun by Robert Maillardet was intended to head in that direction. Late in the year, new beginnings were made in coaching coordination, led by Scott Lovell, which I am hopeful will lead to positive outcomes. This is a multi-year task and outcomes will of course not happen overnight.

I hope that the new Committee will continue to support this endeavour.

## TRACK RECONSTRUCTION

We were all delighted with the City of Yarra approving expenditure of \$735,000 on reconstruction of the Collingwood athletics track. The existing athletics track had been laid about 12 years before, and had numerous repairs. It was unsatisfactory with ripples, depressions where rainwater would pool, and areas of deterioration especially around the

sprint starts. The long jump and pole vault runways were worse, with holes worn right through the red surface to the underlying hard base.

The reconstruction of the track was to be a substantial project. It would mean complete removal of the red track and the asphalt base, resettling of the crushed rock base, levelling the track, and laying of new asphalt and 2 layers of track surface. The long jump and pole vault runways and the high jump fan were to be resurfaced. Attention to drainage around the track and to tree roots was included. Other work was to include upgrading the steeplechase water jump to IAAF standard, laying water lines to the long jump sand pits, new take-off boards on the long jump/triple jump runways, and a conduit under the finish line to carry power and data cables to the inside of the track.

The Committee was consulted by Council about the specifications of the work. Work was intended to commence in December 2017. It did not start until January 2018 with an optimistic finish date of end of April 2018. It seems that the contractor began to fall behind schedule almost immediately, and as often happens with construction projects, problems were found which delayed the work, such as discovering that the drain in front of the clubrooms had collapsed. By the end of March it was possible that the track would not be completed before the rain and cold of winter made further work impossible, and we now know (in May 2018) that work will not be completed until at least September. Work has now ceased with only the asphalt layer completed, although possibly the long jump and pole vault runways will be re-laid in the immediate future (June 2018).

The Committee is disappointed about the delays in completion of the work, although we know that the new track will be a great improvement. We continue to discuss with Council (in May and June 2018) making the track with the asphalt surface available to users.

#### RELATIONS WITH COUNCIL

The City of Yarra Council (CoY) owns the athletic track and grounds, and is effectively our landlord. Collingwood Harriers pays an annual Licence Fee to CoY for our use of the track, which entitles us to hire the track and retain the hire fees, while CoY pays for maintenance and general upkeep. This is a generous arrangement for our Club. In turn, the Club charges schools and community groups relatively low hire fees for use of the track.

The Committee negotiated a new Licence Fee with Council, although the negotiations were quite one sided. The Licence Fee of \$5500 plus GST plus CPI will continue for another 5 years, a good outcome. On the other hand, the Club has been asked to contribute to servicing of sanitary bins, \$1656 annually, and to a trust fund for future repairs to the track, at a sum to be determined – the Committee proposed \$1500 as our contribution.

The Club and the Committee continue to maintain good relations with Council. Councillor Danae Bosler was invited to the Club's cross country championship. I appreciate the effort put in by Council staff, especially Peter Mitten, Mark Donnellan and Justin Hanrahan.

## COMPETITION

Central to our Club is the Athletics Victoria competition in both summer and winter; reports on those are elsewhere in the Annual Report. We were delighted with the success of Virginia Moloney during the winter season, and with the success of our junior athletes. However at senior level we are not doing as well as we would hope. We field one of the largest winter teams in the mens competition, but we lack competitors in the top echelon, and all our senior mens teams suffer as a result, resulting in demotion at the end of winter 2017 of one of our mens teams. We will compete in Division 1 (Premier Division) in both mens and womens senior winter competition in 2018.

In summer, we simply did not have enough competitors week by week to have much impact on the competition. Recruitment continues to be critical to achieving more in AV competition.

## ELITE ATHLETES

We were delighted to learn of selection of Virginia Moloney to run the marathon at the Commonwealth Games on the Gold Coast; and of Adam Garganis to compete at the IAAF World Road Race Walking Team Championships in China.

## OFFICIALS

Collingwood Harriers should be proud of its officials. Four of our officials were selected for the 2018 Gold Coast Commonwealth Games: Tony ('Rocket') Williams, Kevin Wigmore ('Wigg'), Gary McBroom, and Matthew Webster, out of just 32 officials from Victoria; no other Victorian Club had more of its officials selected. Kevin Wigmore was made a Life Member of Athletics Victoria, in recognition of over 35 years as an official. Allan Minter received an AV Distinguished Service Award.

## ASSETS

The Club has a wide range of equipment used for training and competition, which had been undocumented for some years. Work initiated by Robert Maillardet, later continued by others including Scott Lovell, identified that the Club has around \$100,000 worth of assets, with some items still to be included. Our insurance covers only \$20,000. The Committee is following up on improving our insurance to cover all equipment.

## THANKS TO COMMITTEE MEMBERS AND OTHERS

The work of a committee relies on the contributions from its members. My thanks go to the Committee members for their efforts during 2017-18.

As Secretary, Andrew McAdam made life easier for all of us with his organisational skills and legal acumen.

Sofie Fabre, as Treasurer and with responsibility for coordinating bookings, put in many hours into this combined role. We all need to acknowledge her efforts.

Liam Delany and Doug Leutchford, as winter and summer coordinators, were fantastic in communicating with, organising, encouraging and supporting athletes, and getting parents and others to carry out rostered duties. Lou Santiglia was a significant committee member in the role of Administration Coordinator.

Scott Lovell seemed to be a part of so many things, but especially with coaching and assets.

For the time he was on the Committee, Robert Maillardet was a source of ideas and ways to improve, and initiated the assets audit and coaching sub committee.

Steve Griffiths had as his official roles Registrar, Records Officer, and Committee member, but did so much more, being at just about every winter and summer round, Club events, working days and training evenings. I appreciated his advice and wise counsel, so valuable to me in my first year as President.

Tony ('Rocket') Williams and Kevin Wigmore ('Wiggy'), Athletics Victoria officials, were always there when needed, doing whatever needed to be done, including (despite cold and rain) setting up the Club's cross country championship course.

Thanks to our coaches and AV officials and to all the parents and others who offered their time at any number of events and competitions across the year.

It is always a risk thanking people, because someone may be left out and be offended, so if I have done so, please accept my apology and my thanks. One person who should not be left out is our caretaker Bernie Leddin, who is there to open up and close the rooms for groups, cleans up after them, organises equipment, and generally is really helpful to all.

## IN CONCLUSION

I look forward to the Committee's work, and the Club's activities, over the next year 2018-19. The track reconstruction will be completed (eventually) and coaching coordination will continue and develop. I have offered myself for President again, and if members accept my nomination, then I hope for another productive year.

Jim Hopkins

## Summer Report 2017/18 Track and Field Season

Athletics Victoria made a number of changes to the set up for the 2017/18 summer of Shield competition. Indeed the overhaul of the competition's organisation was probably more profound than for any other season in recent history.

While some of the changes may be seen as minor, there were some alterations that certainly made a huge difference to the normal Saturday afternoon of track and field.

It is fair to say that there was a great deal of discontent from many clubs regarding the new format and Collingwood was certainly not happy with many of the changes.

The change that probably raised the most ire with the Collingwood organisers was the new rule that competitors could compete at any venue and still score points for the Club. Admittedly this could be good thing for certain athletes at certain times, but it had the effect of splitting the Club, thus affecting our ability to enter relay teams (on the weeks relays were even included on the program). We also found that the smaller number of athletes also affected the ability to create and maintain Club spirit particularly with new members. Athletes did not get the chance see their clubmates compete and get an idea of what really made Collingwood Harriers tick. Coaches often did not get to see athletes that they had worked with perform for weeks on end. The walking events, generally a real strength for Collingwood, were often held on a Wednesday evening, thus preventing us seeing our Australian representatives in action.

It is fair to say that the atmosphere at many of the Shield competitions was almost funereal, with very little excitement for a lot of the day. There were often periods where there was nothing happening on the track! The usual hubbub of noise from supporters doesn't seem to eventuate when all that is happening is a javelin throw at one end of the track, a long jump at the other end and a shot put out in the middle.

It will be interesting to see what, if any, changes are made for next season. All the Clubs from the Red Zone, in which Collingwood is included, met and compiled a comprehensive list of suggestions for discussion by the A.V. summer committee. It is fair to say the negative opinions regarding the just completed season far outnumbered the positive (there were some!). Hopefully the committee will consider the list submitted by our zone together with the other three zones carefully before setting the parameters for the 2018/19 season.

\* \* \*

The number of competitors representing Collingwood was noticeably down on previous seasons. Over the past few years the Club has been very happy with the continuous rise in participants, albeit a small increase, season by season. This trend certainly changed during the 17/18 program. Because of the spread of venues and days of competition, it was hard to come up with an exact figure, but our numbers were down over 20% down on the previous year.

Apart from the fewer overall numbers, the Club also suffered by the fewer appearances by many athletes. It can be assumed that the distance required to travel to some of venues was certainly a factor in the non appearance of some while others certainly gave it a miss when their 'pet' event was missing from the program.

Whatever the reason, Collingwood had only five teams make it to the finals held at Albert Park early in February. Even more disappointing was the fact that many of these teams did not have many athletes qualify for the big day as they had not done the required number of competitions during the season.

Four of teams finished near the bottom of the tables for their respective competitions with our under 16 girls being the only grade to be really competitive and it is fair to say that even this team was not overly endowed with numbers. The fact that the under 16 age group happens to have a number of high class athletes was certainly their saving grace. This team provided the main highlight of our day when Chiara Santiglia, Sunny Spencer, Simone Maillardet and Lucy Leutchford broke our Club under 16/18/20 and Open records in the 4 x 200m relay. (Only the third relay run by a Collingwood team for the entire season).

Apart from the Shield competition Collingwood again had quite some success at the Victorian Relay Championships. The Under 16 4 x 400m team of Chiara Santiglia, Ellie McKenzie, Lucy Leutchford and Sunny Spencer not only convincingly won the event, but in so doing broke the state (club) record with had stood for many years. Later in the day Amy Cornell and Simone Maillardet joined Lucy Leutchford and Sunny Spencer for another victory, this time in the Under 18 4 x 800m event. This was the second time these four girls had won this event and all are still under 18 for the 2018 Championships to be held in November. A third medal, this time bronze, was taken home by Collingwood athletes when Amber Louw, Amelie Gilchrist, Alice Niall and Zoe Cornell took part in the Under 14 4 x 400m race.

Collingwood Harriers conducted the Magpie Multies for the tenth time at our track in October. Probably our best effort yet, this season's meeting was enhanced by the appearance of a female competitor from Tasmania and two men from South Australia. Thank you to Collingwood Club Officials Kevin Wigmore, Tony Williams, Ian Fisher, Matthew Webster and Brian Moore who all made themselves available for the weekend. Judy Mason, Diana Barnett, Chris Boylen, Sofie Fabre and Eugene Nemesi did a power of work behind the scenes to enable the competition to run well. Doug Leutchford's appearance at 7:00am on the Saturday morning to assist with the set up was very much appreciated. The Club was well supported by A.V. with electronic equipment and a number of officials from other Clubs also worked very hard to support our efforts.

The aforementioned Doug Leutchford, carried out the thankless task of trying to organise the required 'Club Helpers' for the Shield competition. It was great to see a few new faces make an appearance, but there was still a very big dependency on some 'old faithfuls'.

For the future:

The Club can only hope that the new track will reinvigorate a lot of our members and indeed attract a stack of new people to our ranks.....

.....and we certainly hope that Athletics Victoria listen to the clubs and make the next summer season one in which we can be very proud.

Steve Griffiths

(on behalf of Doug Leutchford – Summer Team Co-Ordinator)

## **Winter XCR Series 2017**

The club produced some outstanding individual and team results throughout the season. Most notable was Virginia Moloney going back to back winter female athlete champion. What makes this even more impressive was she ran the 9<sup>th</sup> fastest time ever (2.29.14) by an Australian women up at the Gold Coast Marathon in the middle of the season.

Our U14 boys team dominated the competition to win easily with a great team effort by all the boys. The Premier women finished 4<sup>th</sup> and the Premier men finished 8<sup>th</sup>, both strong performances given our depth of runners dropped a little from last year.

Our mens division 3 team was unfortunately relegated which gives us some work to do to get all lower teams promoted again. The same could be said with the women currently having no division 2 team. Sounds like a good challenge for 2018 XCR

Liam Delany  
Winter Team Co-Ordinator

## **Administration Manager's Report**

The role of the Administration Manager is to manage the Club's administration activities. This was achieved with the assistance of the Administration Sub-Committee; whom I would like to thank for their continued support. The Administration Sub-Committee includes Andrew McAdam and Sofie Fabre. During the year the Sub-Committee tabled various matters, with its most notable achievement being the purchase and installation of the Club's CCTV equipment; installed to protect the Club's valuable assets. With the imminent completion of the track upgrade, it is expected that track and club room enquiries/bookings will gain momentum and again represent a significant source of income for the club. Given the significance of this function, and the importance it plays in maintaining a sustainable club, the Sub-Committee will examine the prospect of creating a paid role to engage an individual to perform this function. I look forward to working with Committee and Sub-Committee over the ensuing 12 months to help CHAC grow and prosper.

Lou Santiglia  
Administration Manager
