HALF MARATHON

Burnley

The Club had probably our best role up of men for an individual event this season, but our women's numbers were down a few. Fine weather greeted the runners and the early 8:00am start was probably appreciated towards the end of the race as the temperature did start to climb.

Virginia Moloney continued her great form with a fourth place finish in the women's event. Following her 6th in the 10k and 5th in the 15k, this run leaves no doubt that Virginia is certainly the recruit of the season. **Erchana Murray-Bartlett** also produced another terrific run to finish 16th. In the men's event **Jai Edmonds** (13th) continued his recent great form to again be first home for the Magpies, albeit just one place in front of **Liam Delany**. **Tim Bryant**'s 24th placing was quite valuable as well. **Sarah Martin** grabbed 23rd place.

It was great to have **Simon Bevege** back in the black and white. He has not been able to get to many races this season, but his performance today was terrific for the Club's fortunes.

We had a few youngsters also having a go at the 'half'. **Jesse Frost**, a member of our '18s', did a great job in his first half, running just over 80 minutes and in so doing knocking many minutes off the Club under 18 record. **Jacob Barnes** and **Ailsa Buckle** also had a go at the distance and certainly helped enable the Club to finish extra teams.

The Club was able to finish eight teams in the men's race, a feat not done in an individual race for many, many seasons.

Don't think too badly of **Stuart Kollmorgen**, who would normally be expected to have finished in a much faster time! Not a bad weekend's work though, as he raced over 10k just the day before in an event at the Walker's Club – won the race too!

TEAM RESULTS

Division 1 4th.
Division 2 7th.

Our men's results saw possibly our best set of results for many years. Firstly, the fact that we were able to finish eight teams in the half is an amazing feat in itself, but no team finished lower than 7th place. We were the only Club with a team in Divvy 7 – and we finished two!

Officials: Thanks to **Kevin Wigmore** who fastidiously collected as many of the interval times as possible. Working by himself, Kevin did a great job recording the splits for our 46 starters. **Tony Williams** was, as usual, on the spot working for AV.

A large number of Magpies made their way back to the Clubrooms for the now traditional après race brunch. This year the usual spread was supplemented by offerings from **Helen Robottom** (Jesse Frost's mum) and **Sarah Martin**. Thanks ladies – much appreciated! **Jack Frost** helped out on the barbeque.

Rob Barnes may have created a new Club Record by consuming three egg and bacon rolls! Fine effort that!
