CROSS-COUNTRY

Brimbank Park

Yet another day that turned out all right, despite ominous weather predictions through the preceding week. A couple of extra degrees would have been handy, especially to the spectators, however the lack of wind and some good course conditions proved beneficial to the runners. There is a suggestion that the course was a little short. If this was so, the organisers deserve a brickbat as with the space available there is no excuse for such a slip up!

Despite missing a few runners, the Club managed to record a good team result in Divvy 1 of both genders. We also managed to finish four junior teams, with our under 14 girls clinching the premiership despite having their lowest finish, albeit third, of the season.

Virginia Moloney and **Jai Edmonds** were first home for the Magpies in their respective events, while **Amy Cornell**'s fourth placing in the under 16 race was the Club's highest individual placing of the day. **Dale Carroll** produced another very promising performance with his very smart 27:16 for 8k in the under 18 event. His ninth placing was a great reward for some excellent training sessions over the past few weeks.

Three of our ladies missed the start of their race, but decided to have a run in the 16k event. Despite not being able to score, it was a brave effort to complete the long course.

SENIOR

WOMEN'S 6k

It was great to see the old black uniform on show per favour of **Heather Gaunt**. AV encourage the old uniforms to be worn at this, the Heritage Round. Thanks Heather – it brought back a lot of memories.

MEN'S 16k

Congratulations to all who were able to get around the course. The two trips up 'the hill' are certainly a test for all runners. Another great run was put in by **Malcolm Campbell**, who is in career best form after a couple of injury plagued seasons.

Officials: Thanks again to all our workers! **Tony Williams, Judy Mason** and **Gary McBroom** were all working for AV, while **Kevin Wigmore** again did his usual sterling job getting all the times for our records.

Kevin and Judy were also instrumental in putting the tent in position before the festivities got under way. It was very pleasing to see the many helpers giving a hand at the end of the day with the tent – actually too numerous to mention, but much appreciated after a long day!

Afternoon Tea: “**Barnes Catering Services**” were again well to the fore! Thanks also to anyone else who managed to sneak a contribution into the tent.
