Annual Report for Collingwood Harriers Athletic Club Inc., incorporating Kew-Camberwell Athletics Club. This report has been prepared for the club AGM on 26 November 2020. The report represents the 92nd Annual Report of the Collingwood Harriers Athletic Club, which was founded in 1926 (Affiliated with Athletics Victoria on 14/4/1926).

COLLINGWOOD HARRIERS ATHLETIC CLUB MISSION STATEMENT

We are a friendly and supportive athletic club that aims to create an environment of inclusivity and community, and encourages health and wellbeing for all members. We provide training opportunities at our own athletic track and Clubrooms in Clifton Hill, and Summer and Winter competition through Athletics Victoria.

PRESIDENT'S REPORT

"It was the best of times, it was the worst of times". These are the opening words of Charles Dickens' seminal novel *A Tale of Two Cities*. I am certainly not the first person to use that quote to describe the year that has gone by, but it does seem particularly apt for our club.

2019–20 was the year when Collingwood Harriers won major premierships in both summer and winter seasons, we saw an Australian age group record broken by one of our athletes, and the club had high membership numbers. It was also the year that COVID-19 started its devastating progression around the world. Who would have thought that one of many consequences would be that there would be no winter athletics season in 2020? And while the full impact of COVID-19 should be part of next year's Report, it is impossible to ignore what has happened in calendar 2020.

As President, it is again my proud responsibility to present to you the Annual Report of Collingwood Harriers Athletic Club, and to report to you on the activities of the Club and its Committee for the period from 1 April 2019 to 31 March 2020.

COMPETITION

Central to our Club is the Athletics Victoria competition in both summer and winter; reports on those athletics seasons are elsewhere in the Annual Report.

Winter season is about road and cross country competition. In winter 2019 the club had one of the most successful seasons for decades, with our senior women winning a Premier division premiership, while the women won another premiership in Division 5. We fielded teams in 4 of the top 5 divisions, a measure of the rapid growth and strength in our women's ranks. For the men, we fielded teams in 5 of the top 6 divisions, as well as junior and masters age groups. Our best result was 2nd place for the under 14 boys. Please read Campbell Maffett's report on the winter season.

In the summer track and field competition, an entirely new format was adopted. All athletes in a club, men, women, juniors, seniors and masters, competed as a single team, scoring points for performances against an age-weighted scale across all disciplines. Not only that, but it was possible to compete at any venue, regardless of where the club was 'supposed' to be, so our athletes were scattered over the metropolitan venues. In this new format, Collingwood were placed in Division 3 of 5 divisions for the 50 clubs taking part. After some settling in, Collingwood scored well and won or came second in each round in the second half of the summer season, resulting in second place on the ladder and earning a place in the finals as well as promotion to Division 2 for 2020–21 season. On that finals day in February 2020, many club athletes contributed to an amazing win, gaining us a summer season premiership. Please read Steve Griffiths' report on the summer season.

Recruitment continues to be key to our club achieving more in AV competition.

Club helpers are critical to our club's participation in summer and winter seasons. Many people carried out the role of club helper for Collingwood at Athletics Victoria events. Steve Griffiths pays tribute to some of the summer season club helpers in his report, and notable among club helpers in the winter season was Katie Ward. Of course, mention must be made of Steve Griffiths himself, who in between encouraging athletes and recording times, found time to be club helper at most rounds of competition both summer and winter.

I recall talking about coronavirus (as we referred to it then) at the summer season finals, and wondering how much it might affect us – perhaps not much, we hoped; but time would tell, we said to each other.

COACHING

Essential to any sporting club is the quality of its coaches. For athletics clubs this is even more important due to the number of disciplines involved – jumps, throws, sprints, hurdles, middle and long distance, road and cross country, walks, steeplechase etc. Collingwood has some outstanding coaches, but coordination and improvements in the coaching program were needed. Work led by Committee member Andrew Dawson and continued by Scott Lovell has headed in the direction of better coordination and integration of and between our coaches, with one result being a chart of coaches, their specialities, and their availabilities.

ELITE ATHLETES AND CHAMPIONSHIP SUCCESS

In the last two Annual Reports I have written about the achievements of some of our elite athletes such as Virginia Moloney (McCormick), Erchana Murray-Bartlett and Adam Garganis.

This year I am delighted to tell you about two of our masters age athletes who have recorded outstanding performances in this year.

Chris Boylen, our pole vault coach, set a new 55 plus age group state and national record, clearing 3 metres 70 over the high bar. And our veteran triple Olympian Bob Gardiner, now in his 80s and still walking, is ranked number one in the world in his age group in the 3000m race walk in 2020, with a time of 21:20.30 for the heel-and-toe race, after being ranked 3rd in the world in the same event for 2019.

This year saw a number of Collingwood Harriers records broken and many medal winners at various championships: see the tables at the end of this Report. As Australian Senior and Junior Track and Field Championships along with the Victorian and Australian Masters

Track Championships were not held due to quarantine restrictions, the list of championship medallists is shorter than usual. Special mention should be made of Wolfgang Cotra-Nemesi who won an age group gold medal at the Australian Championships in the 1500m in a time of 4:15.67 on 1 April 2019 (which was noted in last year's Report but belongs in this Report).

OFFICIALS

Collingwood Harriers has perhaps the best group of officials in Athletics Victoria, carrying out their duties week in and week out, summer and winter, spending many more hours at each event than the competitors do. All members should be proud of the work that our officials do, and of the officials themselves. Please read the section on Officials later in this Report.

ASSETS

The Club has a wide range of equipment used for athletics training and competition, with a valuation of around \$250,000. An audit is due to be carried out in the next year.

TRACK RECONSTRUCTION

The final steps in the reconstruction of the track were completed earlier this year, with new plinth markers being installed. Questions about the correct markings for a 4 x 200m relay will be left until the track lines are due to be repainted, perhaps in about 5 years' time. Regular maintenance of the track will be required, for example track cleaning, which will happen at various times into the future.

HIGH JUMP AND POLE VAULT MATS

With the benefit of a grant from the Athletics Victoria Foundation of \$8,000, new high jump mats were purchased this year. The new mats were clearly needed; the old mats had deteriorated, they did not meet IAAF standards, and they were dangerous. I want to acknowledge and thank the Collingwood Little Athletics Club, who shared in the cost of the mats with both a grant of \$5,000 from Coles, and further funding from their own resources.

The grant from Athletics Victoria Foundation was originally for purchase of mats for both pole vault and high jump. If anything, the pole vault mats are worse than the old high jump mats. The pole vault mat covers have been patched multiple times, the foam has deteriorated, they do not meet IAAF standards, and they are not wide enough, resulting in unsafe conditions for the vaulters who may be landing from 4 metres in the air. However it was realised that new high jump mats, which are larger than the mats they replaced, would necessitate a new shed, and in turn that would require a new pad and runway, costs that had not been included in the original estimates.

The Athletics Victoria Foundation gave us permission to dedicate the entire grant to just the high jump mats with the associated shed and runway. In due course, the shed and mats were purchased, and arrangements were made for the old pad to be removed and a new pad and runway to be installed. While we gave notice to Council of these arrangements, there was some lack in the communications, and as a result the concrete pour was stopped at the last minute so that Council could ensure that the new pad and runway met their specifications. In the end, all was sorted out, the concrete pour took place some weeks later, the shed was then delivered and the new mats placed inside.

Purchase of new pole vault mats is a high priority for the club, but as with the high jump mats, it will require a new shed and new pad and runway. Council will of course be involved in this process at planning stage, when it happens.

FINANCES

The Club's finances continue to be in excellent shape, with over \$130,000 invested or banked. An audited Finance Report is at the end of this Annual Report, which shows that the club retained about the same level of available funds as at the time of the last Annual Report. I refer members to the Treasurers Report from Sofie Fabre.

The arrangements for hiring of the track to schools and users takes many hours of work, almost entirely done by our hard-working Treasurer Sofie Fabre. This is the major source of income for the Club, and if it were not for the many hours put in by Sofie, we would not be in such a good position financially, and of course it would not be as easy for schools to benefit from the availability of our track for their athletics carnivals.

RELATIONS WITH COUNCIL

The Club and the Committee continue to maintain good relations with The City of Yarra Council (CoY).

CoY owns the athletic track and grounds, and is effectively our landlord. Collingwood Harriers pays an annual Licence Fee to CoY for our use of the track, which entitles us to hire out the track to schools and non-profit organisations, and retain the hire fees, while CoY pays for maintenance and general upkeep. We are incredibly fortunate in having an athletics track which we can hire to users, a supportive and generous Council that pays for track maintenance and general repairs and upkeep, and a relatively modest Licence Fee to Council for our use of the track. In turn, the Club charges schools and community groups relatively low hire fees for their use of the track.

The Licence Fee to Council of \$5500 plus GST plus CPI will continue for 5 years. Council asks that the Club contribute to servicing of sanitary bins, \$1656 annually, and to a trust fund for future repairs to the track, and to take responsibility for some minor maintenance.

I appreciate the effort put in by Council staff particularly Deborah Niccol and Trent Carpenter on the Recreation team, and Mark Donnellan.

GOVERNANCE

The Constitution mandates that the Committee will meet at least four times during the year. During this reporting year, the Committee met a total of 11 times. Meeting attendance is shown in a table later in this Report.

At the AGM in June 2019, Robert Barnes was elected as the Summer Team Coordinator, but withdrew from that position a week later. The position was not filled, and Steve Griffiths took on responsibility for the role (in addition to all the other things he does for the club). Also at the AGM in June 2019, Andrew Dawson was elected as an Ordinary Committee member, and took on responsibility for coaching coordination, a role in which he contributed much. He retired in December 2019. His committee position was not filled, and the role of coaching coordination was taken on by Scott Lovell.

VALE TERRY LANHAM

Club members were saddened this year to learn of the passing of Terry Lanham, who for many years was the club's Honorary Auditor. Terry maintained his accreditation for several decades for the sole reason of continuing to contribute to our club by conducting the annual audit. He will be missed.

THANKS TO COMMITTEE MEMBERS AND OTHERS

The work of a committee relies on the contributions from its members. My thanks go to the Committee members for their efforts during 2019–20.

- As Secretary, Andrew McAdam made life easier for all of us with his organisational skills and legal acumen.
- Sofie Fabre, as Treasurer and with responsibility for coordinating track bookings, put in many hours into this combined role. We should all acknowledge her efforts.
- Campbell Maffett and Steve Griffiths, as winter and (acting) summer team coordinators, were fantastic in communicating with, organising, encouraging and supporting athletes, and getting parents and others to carry out rostered duties.
- Lou Santiglia was a significant committee member in the role of Administration Coordinator.
- Vice President Scott Lovell seemed to be a part of so many things, but especially with coaching and encouraging athletes in their own endeavours.
- Steve Griffiths had as his official roles Registrar, Records Officer, acting summer team coordinator and Committee member, but did so much more, being at just about

every winter and summer round, Club events, working days and training evenings, and always contributing as a club helper when needed at AV events.

- Lewis Sullivan and Paul Wallace made progress towards improving our social media, communications, and website.
- Chris Boylen continued to add value to the club in his capacity as pole vault coach.

Thanks to our coaches and AV officials and to all the parents and others who offered their time at any number of events and competitions across the year.

IN CONCLUSION

I look forward to the Committee's work, and the Club's activities, over the next year 2020–21. I am not seeking an extension of my term as President; 3½ years is enough. My time as President has seen the completion of the track reconstruction and upgrade, improvements in our coaching framework and coordination, and our club's response to the COVID-19 situation, as well as major premierships in both summer and winter seasons,

I look forward to the club continuing to develop and improve under a new President.

Jim Hopkins
President 2017–20

TREASURER'S REPORT

After a couple of challenging years with limited access to our track, it is wonderful to report that we saw almost a full year of bookings that has seen revenue rise to over \$58k. It is also pleasing to report that all but two of our schools have come back to our new track but we have gained five new schools and the word had been spreading about our wonderful facilities and service. With the new track completed, we had commenced spending on our equipment including our much easier to use high jump shed and IAAF compliant high jump mats. This is reflected in a slight net loss for the year, although a grant of \$8,000 towards the new high jump shed will be reflected in next year's accounts. Covid-19 interrupted the last couple of weeks in March as we commenced our normally busy secondary school carnival period and will of impact 2021 financials. The grant money will reflect favourably in the 2021 accounts in what is expected to be an unforgettable period in our lifetime.

Operating Profit History

Your subscriptions continue to be a significant source of revenue for the club. This year subscriptions have been significantly up despite not raising membership fees. We welcome all the new members and have wonderful plans to spend on improved equipment and facilities now that we have our very big investment in the track completed. The increased membership has no doubt helped our club to some outstanding achievements in competition.

Over the last few years, we have worked hard with City of Yarra to negotiate a favourable lease arrangement on the grounds that our track was needing work. With our new track completed, we have a revised lease arrangement that has effectively doubled. The extra expense is not evident in the accounts as we have also moved from monthly to annual payments commencing in October 2019. Due to Covid-19, we have not paid the annual fee when it was due in March 2020. Council has not allowed any access to the club rooms since then, in accordance with government regulations, other than a short period of access for the bathrooms only. We understand this has impacted so many of our training groups and our hirers of the club rooms but was not avoidable. The costs of our lease for the period October 2019 to March 2020 will therefore be reflected in next year's accounts after we are re-issued with a revised invoice for the full lease period October 2019 to September 2020.

Income breakdown

Total income:
\$58,570.56

Expenses breakdown

Total expenses:
\$59,991.88

*Includes caretaking, cleaning, utilities

I have been asked from time to time what the club does with your subscription money. The answer to that question depends on how you use your club. XCR athletes directly benefit from free entry into all of the many Relay races which are paid for by your club and often charged to participating athletes at other AV clubs. The catering at your events is also paid for by your subscription. Track and Field athletes benefit from the access to facilities and equipment. There are many indirect costs that we are fortunate at our club to have other significant sources of income to subsidise the cost of running the club.

This year our accounts were audited at a cost of \$1540 by an independent auditor following the retirement of Terry Lanham. At his thank-you at last year's AGM, we acknowledged not only his 50 years' service, but just how much money he has saved our club in auditing fees over 50 years. We are saddened that Terry sadly passed away earlier this year.

Thank-you

Dr Sofie Fabre
Treasurer 2019-20

WINTER SEASON REPORT

MEN'S HIGHLIGHTS

The men's season proved to be a challenging one in fielding consistently strong teams across the events and fighting hard to remain in respective divisions. Ultimately, we were successful in retaining our Premier division team status and in consolidating our place in other divisions thanks to the determination and turn out of members at events. There are few clubs that field as many teams as us, which is a credit to our depth across all divisions and age groups.

Premier - 9th

Div 2 - 14th, **Div 4** - 3rd, **Div 5** - 6th, **Div 6** - 8th

40+ - 3rd, **50+** - 11th, **60+** - 7th

U/14 - 2nd, **U/16** - 8th, **U/18** - 13th

The men also had some fine individual performers across the season:

40-44: Liam Delany - 3rd

45-49: Campbell Maffett - 3rd

50-54: Magnus Michelsson - 9th

55-59: Peter Gaunt - 9th

U/14: Fabiano Aguiard - 3rd, Thierry Aughterson - 10th.

WOMEN'S HIGHLIGHTS

This year provided the highest of highs with our Premier Division team winning the season title - a fantastic achievement and wonderful team effort that showed the depth of women runners in the club who all contributed towards this title. The title came down to the last relay leg of the final event, with great excitement and emotion for a hard earned and well-deserved victory. Not to be out done, we also won the Division 5 premiership, with an equal number of motivated and dedicated women being part of this team during the season. Congratulations to all the women who represented the club during the XCR season...teamwork makes the teamwork!!

Premier - 1st

Div 2 - 9th, **Div 4** - 6th, **Div 5** - 1st

40+ - 8th

U/18 - 4th

In addition, we had some fine individual performers across the season:

Open: Tamra Quinn - 2nd

40-44: Rachel Delany - 4th

45-49: Bev Thomas - 1st

U/18: Simone Maillardet - 2nd

CLUB 5 MILE CHAMPIONSHIP

This annual event was held on Saturday 17th August at Yarra Bend Park. The winners were:

Junior Women - Mikaila Young

Junior Men - Mason Johns

Open Women - Erchana Murray-Bartlett

Open Men - Tim Bryant

AUSTRALIAN CROSS-COUNTRY CHAMPIONSHIP

This event was held in Woolongong, NSW, where the club had several runners selected into the state team, with fabulous results:

Boys 12 years, 3km

21st Fabiano Aguiard - 10:38min

Girls 16/17 years, 4km

18th Simone Maillardet - 14:43min

28th Mia Roux - 14:58min

Open Women, 10km

7th Tamara Quinn - 36:32min

Campbell Maffett

Winter Team Coordinator 2019-20

SUMMER SEASON REPORT

The 2019-2020 Track Season saw probably the biggest single change to the organization of the program for some decades. Gone was the Zone competition, from which the successful teams in each age group went on to compete in a final, in which the Premier team in each section was decided.

The new season saw 5 divisions involving all Victorian Clubs compete for weekly points, culminating in a final where the top two teams in each division competed to decide the Premier. These two teams were also to be promoted a division for the ensuing season.

Collingwood were placed in Division 3 for the first try at this new set-up. The gradings were based on participation numbers from the previous season. While initially disappointed with our positioning, as the season progressed, it turned out the Athletics Victoria's ranking of the clubs was pretty good. Despite being one of the larger clubs in the Association, our number of actual participants in the previous summer season was quite low – so Divvy 3 was probably our right spot!

Athletes were able to compete at any venue of a weekend, with all points counting in an 'overall' total for the Club. No age group scores, no scores based on gender – just one Club score for the day! Although being able to compete at any venue was liked by some, it certainly didn't help clubs put relay teams together.

It was obvious that the more people a club had competing, the better was the chance of success. Athletes were limited to four scoring events per week (plus a relay when programmed). Indeed, athletes could do more events if they so wished, however only their best four scores were counted. Scoring was done on a decathlon type system. The attached table gives an overview of the season with Collingwood's score, placing and number of competitors listed for each week.

Round	Our score	Place	Win score	Female	Male
1	26024	2	27277	15	25
2	18072	5	22145	12	19
3	15236	6	24736	10	17
4 RR	25026	4	30998	15	20
5	19162	4	24296	9	19
6	18585	2	19416	9	17
7 Nitro	19383	2	26238	7	20
8	27684	1	25296*	15	29
9	23356	2	27791	11	22
10	22283	1	21620*	12	23
11	23881	1	21300*	16	24
12	25620	1	19278*	17	22
Final	38420	1	28073*	15	29

* 2nd place score

Week 4 was a "relay round." All the track events were conducted as relays with a couple of 'novelty' (read Non-Olympic!!!) races included. There was a 4 x 800m walk relay as well as an 8 x 100m, among many other more conventional events.

Week 7, named the Nitro Round included some different events to those usually on the program, such as: 60m, 600m and one mile run. In the field games, athletes were able to gain extra points for 'accuracy' as well the distance obtained.

Collingwood was successful in winning Division 3, due to the commitment of our athletes who did support the Club during the season.

This commitment was particularly noticeable towards the end of the season when athletes were asked to do “an extra event!”. Although taken out of their comfort zone in some cases, these extra efforts helped to boost our score(s), but also gave us extra scoring events in the final. This was particularly valuable in Round 11, in which the Club ‘played’ its ‘Bonus card’ for double points! (We also discovered a bit of talent with people finding they were all right at something they hadn’t previously tried!)

Congratulations to Louise Davey and Chris Boylen for taking out our Club Awards for best point scorers for the season.

Mention must be made of Justin Hanrahan, who was the leading point scorer for the entire competition (all grades) until injured just prior to the Christmas break. Apart from Justin’s personal disappointment, the Club was worried about his unavailability for the finals. Fortunately, we were able to still make it over the line despite missing Justin’s probable 1500+ point contribution on the day.

Andrew Close in his first season of competitive athletics was an inspiration to all. Almost totally blind, Andrew competed nearly every week in a variety of events, making sure that he qualified in four events for the final. Thanks to all who supported Andrew, whether running with him as a guide or just getting him to the shot-put circle for his competition. Andrew scored a ‘lot’ of points for the season.

Thanks to all the people who worked as Club Helpers during the season. The Club struggled to get the required number each week, however we nearly always managed to rope someone in at the last moment. A lot of athletes helped by working between their events. Scott Lovell and the Dell family were always ready to do what they could. Three of our Mums, Brigid Tram, Jennie Hogg and Pauline Ryan did a stack of work throughout the season – much more than their share!!

The Victorian Relay Championships saw our under 18 girls win the 4 x 800m event for the third time in four years. Under 14 runner Kareema Wakim joined Simone Maillardet, Lucy Leutchford and Mia Roux to record a very impressive win.

The Magpie Multies were conducted again at our track in October 2019. With no competition in the previous season due to the track refurbishment, we were not sure of the future of our competition. However, although the numbers were down on 2017, the roll up was quite encouraging for the future.

Unfortunately there was almost no competition after the conclusion of the Shield season due to the threat of the seemingly fast spreading virus now present in Victoria. Hopefully the 'powers that be' will be able to guide us through to the next season where the Club will have to cope with life in Divvy 2!

Should the season eventuate we will certainly need a much bigger regular turn up of athletes to have any chance of matching the success of the 19/20 Summer Shield Program.

Steve Griffiths

Acting Summer Team Coordinator 2019-20

POLE VAULTING REPORT

The vault squad had another stunning year, with many of the competing vaulters managing to get a personal best (PB) over the summer season. Many were lucky enough to also get medals at the various championships we attended. I say competing members as we have several vaulters who come along to train and vault but don't participate in AV shield. Our overall squad numbers remained much the same throughout the summer and we have since picked up several new members.

The squad attended the Magpie Multies, Summer AVSL, Rare Air, Bendigo Multi event championships, State Country championships in Geelong and State Junior and Open Championships. We obtained good results and many medals, whilst competing in a fun and

friendly atmosphere. Our Christmas party was another well attended and fun night, enjoyed by all. There were many highlights during the season, a few that stand out:

Nicholas Rosa clearing 4m30 to be the highest clearance by one of my vaulters and the highest club clearance for many years. Nick also took out the club decathlon championship at the Magpie Multi's at the start of the season.

Phoenix Davey had another stunning season clearing 4m for the first time in one of the last events of the season. This is a great achievement for any vaulter and he should be a very proud junior athlete. Not to be out done Louise, his mum also had an amazing year. I lost count of how many age group club records she broke in numerous events including vault. Louise set a lifetime and age group PB of 2m55 during the season and medalled at various master's events including the Magpie Multies.

Dale Masini slowly improved over the season. All the hard work and training finally paid off getting a West Aths age group and lifetime PB of 2m55 Vic Champs then 2m60 at a Rare Air at the end of the season. Dale won the Magpie Multi for her age group.

The Dell clan of Tony, Brendan and Liam had a consistent year despite many setbacks. Best part for them was competing as Collingwood members for the first time and bringing in many valuable points for the club.

Justin Hanrahan had an amazing start to the season, earning huge points every week at shield. Returning from injury he was cautious at training and slowly increased his run up and speed. The heights slowly climbed, and it looked like he was in for a great season. Unfortunately, injury cut short his season and a vault PB was not to be. Despite this Justin finished in the top few summer point earners for the club.

I managed to fit in some vaulting and training when not coaching & greatly appreciated the support the squad has given me this season. This allowed me to achieve a new Age group PB of 3m70 which is also a Club, State & National record in the M55+ age group.

The club made funds available early on to replace broken poles. As a result, we picked up several new poles at a very good price and were well used during the season. The AV grant we applied for was not enough for new vault mats, but we did get new high

jump mats with it. Replacement or additional mats are still needed to bring the vault mats up to IAAF specifications and we hope to be able to do that soon.

All in all, another great year.

Christopher Boylen

Collingwood Pole Vault Squad Coach (IAAF level 3 Jumps)

WALK REPORT

The end of the 2019 road walk season saw excellent results for our members:

- Adam Garganis placing 3rd in the Australian 20K Championship and again in the Victorian 30K
- Claire Samanna had a strong winter season, venturing to Canberra for the Race Walking Australia Championship and finishing an impressive 4th in the Open 15K.
- Marcus Wakim also placed 4th in the U14 2K and was part of the winning team. He then raced the U16 3K, placing 7th and third in the teams. Later in the season, Marcus won the Vic. Walkers U14 3K Championship.
- David Smyth and Bob Gardiner completed our presence in road walks.

The shortened track season still produced some great results, with Grace Young 2nd in the AV All Schools 5K, and 5th in the Secondary Schools Championship 1500m.

Marcus Wakim improved his time to come 4th in the Australian All Schools 3K. He had a win in the AV All Schools U14 3K, later moving up to U15 to win the Victorian Junior Championship 3K. Another win was the VRWC 3K Championship.

At interclub, our track relay team walkers, Adam Garganis, Grace Young, Mikaila Young and Marcus Wakim had a good win, Grace and Mikaila having some tight battles in later walks. Another welcome addition to walks was Evie Rosa, scoring valuable points.

Ross Reid, David Smyth and Bob Gardiner had solid walks and the Shield final races saw most of our walk team out there battling for valuable points for the day.

Bob Gardiner
Life Member

OFFICIALS REPORT

Collingwood Harriers was again well served by our fleet of Officials.

The Club is fortunate to have so many well credentialed people who not only do a power of work for Athletics Victoria, but also make themselves available for Club events at every opportunity.

Kevin Wigmore, Tony Williams, Brian Moore, Ian Fisher, Garry McBroom and Matthew Webster are usually to be seen in senior roles at Championship events (State and National) and also play a major part in the Shield competition every week.

Jessica Newton, although relatively new to the ranks, has proven to be a terrific addition to our team. After being noticed in her volunteer capacity at AV's Nitro meet a couple of years back, Jess was 'approached' by AV to take up officiating. This she has done with gusto and has received many favourable comments regarding her work since that time. Jess does combine her work at the Shield meets with some competing for the Club, but manages to chalk up many hours at the Championship programs.

Grant Sargent, Scott Lovell and Tony, Brendan, Kieran and Liam Dell, all do a power of work at the Shield competitions in between their other commitments on the track, either competing or coaching.

Helen Shortell has often been called on to assist at the Shield walking events, helping with the judging of that discipline.

Diana Barnett, Judy Mason and Troy Kameme, although not as involved with AV as they were in past years, were very important to the Club in assisting at the Magpie Multies in October 2019.

Anyone wishing to have a go at officiating would find that it is quite an interesting pastime. The job can lead to trips interstate and eventually overseas.

And of course the Club can always use more workers!

LIFE MEMBERS REPORT

The Collingwood Harriers Life Members have continued to play an integral part in the Club's operation.

Although a number of these members are getting on in years, they still show a great interest in the progress of the Club. This, of course, is in addition to the substantial number of Life Members who still compete for the Club and/or act as officials at various meetings.

Although not required to do so, many of these members still contribute financially to the Club on an annual basis. Apart from assisting at times with 'special' contributions, the Life Members' Association fund the provision of the Blue Ribbons for the Club's 100 Yards and Five Mile Cross Country Championships and also finance the annual update of the Honour Boards in the Clubrooms.

Ray Harbert has coordinated this group for many years. The L.M. Association holds their AGM in March each year and has a dinner at the Clubrooms each November with a terrific turn up.

Members are considered for Life Membership after they have served the Club for a good number of years and made a worthwhile contribution as a competitor, official, coach, committee member or office bearer or indeed, in most cases, a combination of some of the aforementioned categories.

CITY OF YARRA KEY PERFORMANCE INDICATORS

The Club has the use of the track and clubroom facilities at the George Knott Reserve pursuant to a licence agreement with the City of Yarra.

The current licence agreement commenced on 18 October 2018 for a term of 5 years. Pursuant to the agreement the Club is required to comply with the following key performance indicators. At the end of the first year of the licence, the Club must report to the City of Yarra its compliance with the required measures.

It is anticipated that this reporting will be done via the Club's annual report.

Objective One: Planning

To plan for and deliver quality sports services and programs that meet the changing needs of the Yarra community and result in increased levels of participation and wellbeing.

Council Actions	Sports Club Actions	Expected Outcomes	Measure
Monitor Sports Club Usage Agreements, collate data on sports participation and evaluate social obligation initiatives	Provide Council with annual membership numbers including members postcodes, gender and age breakdowns.	Maintain or increase participation levels at the club	Information provided to council by 1st October each year. Provide Council with Annual Membership figures and breakdown of types of membership categories. Club provide Annual Financial Statement
Monitor costs of participation for local sport and recreation	Provide Council with annual hire fees and charges for booking of George Knott Athletics Facility Provide Council with annual membership fee	Facilities are accessible and costs to participate are managed	Information provided 1st of October each year

Objective Two: Participation

To increase access to and participation in sporting activities for the Yarra Community.

Council Action	Sport Club Action	Expected Outcomes	Measures
Work with local sports clubs, sporting associations and State Sporting Associations (SSA's) to develop appropriate entry pathways for social housing tenants, CALD communities, older adults, women, young people and people with a disability.	Club to promote athletics to local communities. Seek new partnerships with local schools and community groups to increase participation	More people are introduced to Athletics as a sport	Club to report to Council activities and initiatives that drive new participation. This may be through AGM minutes
Inclusive Clubs	Club to promote and encourage gender equity and participation	Committees are diverse and inclusive places	Club provide Council a listing of club committee members and positions each year. Club to promote female inclusion and access to athletics

Objective Three: Promotion

To increase residents' awareness and knowledge of local sport opportunities

Council Actions	Sports Club Actions	Expected Outcomes	Measures
Promote activities and events that encourage participation in sport and recreation	Club to maintain website and social media	Club information is accessible	Website and social media is up to date Council to provide listing of the club on CoY website and on social media

Objective Four: Club Capacity Building

Council Actions	Sports Club Actions	Expected Outcomes	Measures
Assist and encourage sports clubs to become registered and accredited with relevant SSA and Government programs and activities.	Collingwood Harriers is affiliated with Athletics Victoria	CHAC is a registered venue for Athletics	
Council training and information sessions	Club to attend Council training and information sessions	At least 1 member of CHAC attend each session	100% attendance
Child Safety Act	CHAC committee to develop policies that ensure club and members compliance with Child Safety Act 2015	All children and volunteers are protected. All club volunteers have valid Working with Children accreditation	Any reports of incidents are reported to Council within 5 business days of being lodged.

Objective Five: Facilities

To plan for and manage Yarra sports facilities in a manner that maximises opportunities for participation in sport whilst protecting and improving the facilities and open spaces.

Council Action	Sports Club Actions	Expected Outcomes	Measures
Council is committed to improving the accessibility, functionality and carrying capacity of its sport facilities.	Collingwood Harriers to maintain the interior of the facility	Facility is well maintained	Club and Council follow Maintenance Responsibilities. Any maintenance requests are actioned within council timeframes
Council to provide Collingwood Harriers with yearly fixtures	Collingwood Harriers to submit list of required winter dates as AV provides calendar	That the facility is used and responsive to the needs of the Yarra community	Council to provide to CHAC within 5 business days of publication any information on Winter Season commencement dates
Implement a range of new procedures and agreements for maximising use of Council facilities and grounds including new tenure agreements, a new fees and charges structure and incentives to promote greater participation in sport.	Collingwood Harriers to continue to coordinate bookings for schools and other hirers. This includes opening of facility & cleaning at conclusion of event.	Usage of the facility is managed and trends are identified	CHAC to provide to council quarterly booking report

STATEMENT OF CASH FLOWS

For the year ended 31 March 2020

	Note	2020 \$	2019 \$
--	------	------------	------------

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

- a. This financial report is a special purpose financial report prepared for use by directors and members of the company. The directors have determined that the company is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the following Australian Accounting Standards:

AASB 1031: Materiality

AASB 110: Events after the Balance Sheet Date

The financial report is prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

b. Property, Plant and Equipment

Property, plant and equipment are carried at cost, independent or directors' valuation. All assets, excluding freehold land and buildings, are depreciated over their useful lives to the company.

c. Inventories

Inventories are measured at the lower of cost and net realisable value. Costs are assigned on a first-in first-out basis and include direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenses.

NOTE 2: CASH FLOW INFORMATION

For the purposes of the statement of cash flows, cash includes cash on hand and in at call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months, net of bank overdrafts

a. Reconciliation of Cash

Cash at the end of the reporting period as shown in the statement of cash flows is reconciled to the related items in the statement of financial position as follows :

Cash on hand	135,787.64	137,208.96
--------------	------------	------------

These notes should be read in conjunction with the attached compilation report.

Scope

We have audited the attached financial report, being a special purpose financial report of Collingwood Harriers Athletic Club Inc for the year ended 31/03/2020. The company's directors are responsible for the financial report and have determined that the accounting policies used and described in Note 1 to the financial statements which form part of the financial report are consistent with the financial reporting requirements of the company's constitution and are appropriate to meet the needs of the members. We have conducted an independent audit of the financial report in order to express an opinion on it to the members of Collingwood Harriers Athletic Club Inc . No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

The financial report has been prepared for distribution to members for the purpose of fulfilling the directors' financial reporting requirements under the company's constitution. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report, and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with accounting policies described in Note 1, so as to present a view which is consistent with our understanding of the company's financial position, and performance as represented by the results of its operations and its cash flows. These policies do not require the application of all Accounting Standards and other mandatory professional reporting requirements in Australia.

The audit opinion expressed in this report has been formed on the above basis.

Audit Opinion

In our opinion, the financial report presents fairly in accordance with the accounting policies described in Note 1 to the financial statements, the financial position of Collingwood Harriers Athletic Club Inc as at 31/03/2020 and the results of its operations and its cash flows for the year then ended.
