Collingwood Harriers athletes competing at the Athletics Victoria track & field championships, February 2021. Left to right from top: Kendra Hubbard, Wolfgang Cotra Nemesi, Chiara Santiglia, Hana Basic

37th Annual Report for Collingwood Harriers Athletic Club Inc. (registered 9 October 1984) incorporating Kew-Camberwell Athletics Club. This report has been prepared for the club AGM on 12 August 2021. The report represents the 95th Annual Report of the Collingwood Harriers Athletic Club, founded in 1926 (affiliated with Athletics Victoria on 14 April 1926).

COLLINGWOOD HARRIERS ATHLETIC CLUB MISSION STATEMENT

We are a friendly and supportive athletic club that aims to create an environment of inclusivity and community, and encourages health and wellbeing for all members. We provide training opportunities at our own athletic track and Clubrooms in Clifton Hill, and Summer and Winter competition through Athletics Victoria.

Andrew Close (T11 visually impaired) competing in a relay for Collingwood at Lakeside, supported by a guide from Achilles

PRESIDENTS' REPORT

As Presidents of Collingwood Harriers for about half the year each during this last year, it is our proud responsibility to present to you the Annual Report of Collingwood Harriers Athletic Club, and to report to you on the activities of the Club and its Committee for the period from 1 April 2020 to 31 March 2021.

2020–21 was the year when almost every activity and enterprise around Australia – and for that matter the world – was massively impacted by the COVID19 pandemic. Athletics was no exception. The Athletics Victoria 2020 winter road and cross country season simply did not happen, apart from a couple of non-scoring events late in the year. The AV summer track & field season was significantly altered, and we thank AV and staff for making it possible to compete during the summer period. Our club championships did not take place, although between lockdowns we did manage to hold the Collingwood Classic Event which included 5k & 10k track based races.

So this Annual Report is going to look a little different to normal.

We want to commend and thank all our members for their persistence and support during the course of the year in difficult and troubling times.

In these opening paragraphs we would also like to mention how important it is for all of us to continue to support and collaborate with our junior and masters' clubs at the venue. This is vital if we are to offer positive experiences and grow membership.

COMPETITION

Central to our Club is the Athletics Victoria competition in both summer and winter.

With effectively no winter competition, the report on the winter season later in this Report is understandably short.

In the summer track and field competition, the new format adopted in the preceding year sees all athletes in a club (men, women, juniors, seniors and masters) competing as a single team, scoring points for performances against an age-weighted scale across all disciplines. In the previous year, Collingwood had won the Division 3 premiership and were promoted to Division 2 for 2020–21. In the shortened and altered 2020–21 summer season, our athletes did well, amassing enough points to gain 3rd place in Division 2 and a spot in the playoffs (similar to finals). In those playoffs, we won easily, doubling the score of our direct competitors, and in consequence we will be promoted to Division 1 for 2021–22. Collingwood is 1 of only 10 clubs in Division 1, and one of the few clubs in Victoria to have Division 1 teams in mens winter, womens winter, and summer track & field. This is a huge achievement for our athletes.

Recruitment continues to be key to our club achieving even more in AV competition.

Club helpers are critical to our club's participation in summer and winter seasons. Many people carried out the role of club helper for Collingwood at Athletics Victoria events, including some athletes between competing, and we as club members thank them.

Well done to our organising members, sponsors and those who took part in our inaugural Collingwood Classic 5k & 10k Track Classic. With entries from across all sectors of the Athletics Victoria community despite competing with the Box Hill Classic on the same night, the feedback was positive. We hope to see this event staged again and grow in size.

The next major event planned for the club will be the Collingwood "DMR" Distance Medley Relays comprising 400m, 800m, 1200m, and 1600m legs. This event is open to all of the Athletics Victoria Community and Recreational Running groups and is planned for September 18th in the afternoon, subject to COVID19 restrictions.

COACHING

Essential to any sporting club is the quality of its coaches. For athletics clubs this is even more important due to the number of disciplines involved – jumps, throws, sprints, hurdles, middle and long distance, road and cross country, walks, steeplechase etc. Collingwood has some outstanding coaches, and this last year has seen further improvements in coordination and integration of our coaches. Please refer to the coaching report for more details.

MEMBERSHIP

The Club's membership was at very high levels this year, with around 223 members registered with Athletics Victoria in 2020–21. Of those registered, 11 were Life Members, contributing to the club as officials, coaches and athletes. Over 100 of our members in 2020–21 were Recreational Runners; the Committee has considered ways to engage these Recreational Runners in ways appropriate to their needs.

ELITE ATHLETES AND CHAMPIONSHIP SUCCESS

This year saw a number of Collingwood Harriers records broken and many medal winners at championships: see the tables at the end of this Report.

Fortunately, Victorian Track & Field Championships were able to be held late in the summer season. Among many outstanding athletes from Collingwood Harriers were Chiara Santiglia, Hana Basic, Kendra Hubbard, and Wolfgang Cotra-Nemesi.

Justin Hanrahan put in an outstanding performance in the mens decathlon.

While in terms of timing it belongs in next year's Report, we must congratulate two of our athletes for their selection in the Olympic Games team going to Tokyo in August. Hana Basic and Kendra Hubbard, we wish you all the best for your participation in the Games.

OFFICIALS

Collingwood Harriers has perhaps the best group of officials in Athletics Victoria, carrying out their duties week in and week out, summer and winter, spending many more hours at each event than the competitors do. All members should be proud of the work that our officials do, and of the officials themselves.

Congratulations to longstanding Club member and official Ian Fisher who was named Red Zone Official of the Year at the 2020 AV awards ceremony.

ASSETS

The Club has a wide range of equipment used for athletics training and competition, with a valuation of around \$250,000. An audit was due to be carried out last year, and will be a key task for the next Committee.

For the future there are some key facility upgrades required to keep the venue in line with current safety standards and IAAF standards.

The purchase of new pole vault mats continues to be a high priority for the club, but as with the recent high jump upgrade, it will require a new shed, new pad and runway, and Council approval. Funding for this will be around \$55,000 if approved. The discus cage does not meet safety standards and will require an investment of around \$60,000 and be subject to Council approval. Local government funding and or grant funding is critical.

FINANCES

The Club's finances continue to be in excellent shape. Despite the loss of income from track bookings during the pandemic, our financial position improved slightly over the year, due mostly to subscriptions from the more than 200 active members. The Financial Reports show that we have an accumulated \$130,000 in available funds, and a further \$30,000 in a special purpose fund. An audited Finance Report is at the end of this Annual Report. I refer members to the Treasurers Report from Sofie Fabre.

The arrangements for hiring of the track to schools and users takes many hours of work, almost entirely done by our hard-working Treasurer Sofie Fabre. This is the major source of income for the Club, and if it were not for the many hours put in by Sofie, we would not be in such a good position financially, and of course it would not be as easy for schools to benefit from the availability of our track for their athletics carnivals.

RELATIONS WITH COUNCIL

The Club and the Committee continue to maintain good relations with the City of Yarra Council (CoY).

CoY owns the athletic track and grounds, and is effectively our landlord. Collingwood Harriers pays an annual Licence Fee to CoY for our use of the track, which allows us to manage the track including hiring out the track to schools and non-profit organisations, and retain the hire fees, while CoY pays for maintenance and general upkeep. We are incredibly fortunate in having an athletics track which we can hire to users, a supportive and generous Council that pays for track maintenance and general repairs and upkeep, and a relatively modest Licence Fee to Council for our use of the track. In turn, the Club charges schools and community groups relatively low hire fees for their use of the track.

The Licence Fee to Council of \$5500 plus GST plus CPI will continue for 5 years. Council asks that the Club contribute to servicing of sanitary bins, \$1656 annually, and to a trust fund for future repairs to the track, and to take responsibility for some minor maintenance.

Identifying venue patronage is key for supporting future government funding. Many people use the venue when athletic clubs are not present but we don't know how many; entry gate sensors would help to identify visitor numbers. Collaboration with Council is important to provide more funding to the venue to support future infrastructure.

We appreciate the work done by Council staff, particularly Trent Carpenter on the Recreation team.

GOVERNANCE

The Constitution mandates that the Committee will meet at least four times during the year. During this reporting year, the Committee met close to monthly, with a break of some months during the 2020 lockdown. Meeting attendance is shown in a table elsewhere in this Report.

The 2020 AGM was held later than usual, in November 2020, due to the impact of the pandemic. Voting for Committee positions was done through an online voting platform, OpaVote, which resulted in an amazing 94% of eligible and contactable members voting. The outcome was that 5 new members were elected to the Committee, joining 9 continuing members and 1 returning member. Days after the election, Zoe Delany resigned; her place was offered to an unsuccessful candidate in the election, Julie-Ann Undrill, who accepted.

It was hoped that the new members would bring a fresh injection of ideas and enthusiasm to the Committee as well as contributing to the necessary work carried out by Committee members across the year. Regrettably, and for a number of reasons – in part a consequence of the pandemic and lockdowns – this was not able to happen.

THANKS TO COMMITTEE MEMBERS AND OTHERS

The work of a committee relies on the contributions from its members. Our thanks go to the Committee members for their efforts during 2020–21.

- As Secretary, Andrew McAdam made life easier for all of us with his organisational skills and legal acumen.
- Sofie Fabre, as Treasurer and with responsibility for coordinating track bookings, put in many hours into this combined role.
- Steve Griffiths, as summer team coordinator, was fantastic in communicating with, organising, encouraging and supporting athletes, and getting parents and others to carry out rostered duties. Our thanks also to Campbell Maffett, who continued to do what was possible in the role of winter team coordinator.
- Steve Griffiths was also formally responsible for the roles of Registrar and Records
 Officer, but did so much more, being at just about every winter and summer round,
 Club events, working days and training evenings, and always contributing as a club
 helper when needed at AV events.
- Our thanks also to Campbell Maffett, who continued to do what he could in the role of winter team coordinator and organised the Collingwood Classic event.
- Chris Boylen continued to add value to the club in his capacity as pole vault coach, AV delegate, and our representative to the Red Zone.

Thanks to our coaches and AV officials and to all the parents and others who offered their time at any number of events and competitions across the year.

IN CONCLUSION

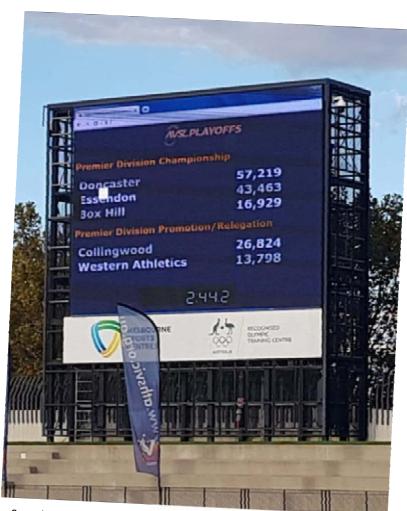

We look forward to the Committee's work, and the Club's activities, over the next year 2021–22.

Jim Hopkins

President 2017 to 26 November 2020

Scott Lovell

Scoreboard at Lakeside Stadium on 27 March at end of Playoffs. We won!

TREASURER'S REPORT

In a year that saw very little activity due to COVID-19, the financial statements look positive thanks mainly to the support of our members.

While most sports clubs were significantly impacted by reduced membership, especially those that only operate over winter, the Club's membership and revenue was up 17% on the previous year. However, income was impacted by a decline in revenue from schools and other bookings, down from approximately \$33,000 to less than \$8,000.

The accounts also benefited from receipt of an \$8,000 Athletics Victoria Foundation grant for an expense incurred in the previous year, as well as \$1,500 of sustainability grants.

Expenses were down 70% on the previous year. Obvious expense benefits were the reduction in team entries with only the track and field season proceeding, as well as reduced caretaker costs. Cleaning costs were similar to previous seasons due to requirement for more regular cleaning to meet the Club's return to play plan. Also, no rent was paid during the year while we waited to negotiate an appropriate reduction with the City of Yarra. The reduced rent will, however, need to be paid in the next year. With limited access to the facility, very little investment in equipment occurred, although the steeples were repaired and the defibrillator batteries and pads replaced.

Dr Sofie Fabre

Treasurer 2017-21

WINTER SEASON REPORT

Due to COVID, the entire 2020 XCR season was cancelled, despite the best efforts of Athletics Victoria to try and salvage some winter events - government restrictions meant that no event could proceed, including annual club championships. Additionally, pretty much every mass participation event was cancelled from March through until late in the year, so XCR was not alone in being shut down by COVID restrictions.

As somewhat of a consolation, Athletics Victoria organised two 'Welcome Back' cross-country events in November, the first one being at Cruden Farm but due to poor turn-out from competitors the second event was cancelled. This was a good gesture by AV but ultimately didn't have the desired appeal.

Something that did proceed, with great success, was the inaugural Collingwood Classic event held in late March, featuring 5000m and 10,000m races that attracted over 180 entrants including 2 Tokyo Olympians. Great weather contributed to a wonderful evening that was enjoyed by many people, with lots of good runs and PBs in the fields. Thanks to the hard-working organising group who brought it to life, with hopefully more similar events to come.

So our attention is currently turned towards the 2021 XCR season with the hope that COVID restrictions allow for a full season...or at least as full as possible. Our men's Premier Division team is looking quite strong, however our women's team is looking like suffering a drop in team runners and members, unfortunately.

Campbell Maffett

Winter Team Coordinator 2019–21

SUMMER SEASON REPORT

The second season of the 'new' Athletics Victoria Shield League competition proved to be a very interesting one indeed! The presence of COVID in the community played a huge part in the season. Athletics Victoria is to be commended in even getting the season started.

The Club had to cancel our Magpie Multies in early October due to the uncertainty of the future progression of the pandemic, but AV pressed on and organised four weeks of competition beginning in late November. These weeks consisted of four one-hour sessions held on Sundays. Each session involved just four events with only fifty athletes permitted to attend for the hour. Athletes could do as many of the four events as desired, but then had to leave the track to allow the next group of athletes into the venue.

The events generally included a sprint, a middle-distance run (no longer than 800m), a jump (only long or triple) and a throw (shot or discus only). No hurdles, no distance events, no pole vault, no high jump, hammer or javelin, no walks or steeples, and no relays.

Despite some reservations, the month of competition ran pretty smoothly. Some people really enjoyed the one-hour sessions, but attendances were spasmodic as many athletes couldn't get to do their event! Of course not everyone could take advantage of the quick hourly session and get back home. Our officials were at the venue for the duration, as were a couple of our Club managers who had to perform the bulk of our club helper duties for the day.

Because of our promotion to Division 2, a good roll up of athletes was imperative for a good showing in the competition in order to have any chance of success at the higher level. The first four weeks saw a reasonable turn out with the Club regularly finishing in around the fourth or fifth position in the 10-team competition. Not disgraced, but not likely to figure in the finals either!

After the Christmas break, with restrictions loosened somewhat, the competition was expanded to include almost all of the events and a lot more athletes. The hourly sessions were gone and we were back to the Saturday afternoon timeslot. Collingwood's results began to improve and we gradually started to narrow the points margin between us and the teams ahead on the ladder. It should be noted that to gain automatic promotion to Division 1 the Club had to finish either first or second on the ladder. A third-place finish would see a knockout match against the eighth placed Divvy 1 team for a sudden death promotion/relegation showdown.

Although pleased with the better showing, the Club was still greatly disappointed with lack of numbers each week. There were of course the diehard regulars, but with this new system of scoring, the number of athletes participating is the key ingredient to success. However, as people saw that we were a chance of grabbing that vital third ladder spot, things 'hotted' up and with a determined effort we managed to scramble into the prized position after Round 9, before consolidating the placing with a huge win in Round 10.

As with last season most of our athletes made the effort of having a go at that extra event, particularly on our Powerplay round where double points were up for grabs.

A snapshot of the season can be gained with a perusal of the accompanying table.

Round	Our Score	Place	Win Score	Ladder	Female	Male
1	17350	4 th	25709	4 th	4	23
2	16600	5 th	23575	=4 th	7	18
3	13606	5 th	20996	5 th	6	18
4	21078	4 th	25521	5 th	8	25
5	18083	4 th	27906	5 th	4	26
6	22873	3 rd	29514	5 th	7	28
7	Washout					
8	28637	3 rd	33521	4 th	9	31
9	14247	3 rd	24271	3 rd	7	21
10	29705	1 st		3 rd	10	32
Final	26824	1 st		3 rd	11	27

The Final saw Collingwood up against Western Athletics. A perusal of the entry lists showed that despite our relatively low numbers, we seemed to be in a much better position than our opposition. We had more athletes sign up for the day, and with a majority of them doing multiple events we had a big advantage in the number of point scoring opportunities.

Right from the start of the day Collingwood took the lead in our two-way competition and steadily pulled away to almost double the score of the team from the West. We also outscored the two teams that had finished ahead of us in Divvy 2 who were supposedly competing against each other for the "Premiership" of that grade. Chilwell, the eventual premier finished with 18,685 points, while Eaglehawk did not bother to send one athlete to contest the final. Both teams will progress, with Collingwood, to the top division.

It is interesting to note that the only two Clubs to outscore Collingwood on the day were the top two Premier Division clubs, Doncaster and Essendon. The third placed Premier Club, Box Hill, were 10,000 points behind us!

As evidence of the earlier statement that this competition system is a numbers game, Doncaster's win was due, in no small part, to the fact that they had a stack of competitors. They had fifteen relay teams participate at the end of the day. That's at least sixty athletes on show, compared to our 38 with five relay teams. This is an indication of what we will be up against in the coming season.

There were a number of terrific performances from our people at the final. A detailed report was presented at the time. Thank you to all who participated during the season, Athletes, Officials and Club Helpers all played an integral part in the Club's success.

Congratulations to Corinna Minko and Marty Galea for their success in winning the Summer Points Award trophies for the season. Corinna finished atop the women's list to win the Kirralee Radford Award while Marty's name was added to the Colin Murraylee Award shield.

Relay Championships

Collingwood entered only three teams in the Victorian Relay Championships, however the reward of two Golds and a Silver medal was quite an achievement.

Finn McCreadie, Austin Fitzgibbon, James Alex and Marcus Ryan were successful in the under 14 4x400m, while Josh Tram, Guy Fricke, Mason Johns and Wolfgang Cotra Nemesi put in a magnificent performance to grab the under 18 4x800m title.

Our silver came in the Open Women's 4x100m. Claudia Gelsi and Chiara Santiglia joined forces with Hana Basic and Kendra Hubbard, both of whom were later to be selected in the Australian Olympic Team, to absolutely obliterate our Club Record in the heat and then improve the time again in the final.

Collingwood athletes also had a deal of success in both the Victorian and Australian championships. Details of our medallists can be found elsewhere in this report.

* * * * * *

Hopefully the new season will see a lot more participants. There were certainly quite a few who were put off by the state of the health of the community last season. This of course applied to most clubs, however success at the higher level in which we now find ourselves will demand more people doing more events more often!

Be a part of it!

Steve Griffiths

Summer Team Coordinator 2019-21

WALK REPORT

In this dramatically shortened season due to COVID restrictions, our stand out walker was Marcus Wakim. In a personal best time, Marcus took out the U16 Victorian Championship 3K walk at Lakeside in February. In April, travelling up to Sydney for the Australian Championships, Marcus improved 32 seconds to record a fast 13.36.39 to take silver in the U16 3K walk.

Track season saw Marcus scoring wins in the younger age group races and Mikaila Young, Ross Reid and Bob Gardiner popping up to add a few points for the club.

The winter road season was almost non-existent, with a brief appearance from Marcus, Claire Samanna and Bob Gardiner.

Bob Gardiner

Life Member

COACHING REPORT

It's been a very challenging year, but the coaching group adapted well to going in and out of lockdown. Programs were provided to those members who chose to take part. Online circuit exercises or specific event exercises were provided by most of the coaches. It's great to see some of our senior and junior coaching group also supporting our junior club (CLAC) as this is where our next generation of athletes progress from. Well done to those who took part in the programs with a special thanks to the coaches for providing their time.

Coaching Education & Development has been non-existent this season partly because of lockdown and/or uncertainty about the season or seasons ahead. I do understand however that some took part in online presentations.

Moving forward, the club has agreed to provide First Aid & CPR training for coaches who continue into our next annual year. A date for this will be announced shortly.

At present we are waiting for AV to provide feedback on RPL for Nadya Sinyutina to join our coaching team at the club. Nadya was with the St Petersburg Athletics Academy, and has great knowledge of hurdling amongst other skills. I believe Nadya will be a great asset to the club and coaching line up.

It is difficult when Track & Field athletes and coaches do not have access to implements or specialised arenas to train in during our extended lockdowns, so it is a credit to all concerned that the club was awarded with promotion to Division 1 in Track & Field for the upcoming 2021-22 season.

It was great to see John Nicolosi's group of High-Performance Sprinters join the Collingwood ranks. The group is now going from strength to strength and growing in size under his guidance with Ashleigh supporting. I note two of his athletes Hana & Kendra will be heading off to Tokyo to compete in the Olympic Games and we wish them, John and all our T&F all the best in their endeavours.

Coaching groups are offering additional physical activity opportunities to our members, namely, Bronwyn Hill with her circuit training clinics and stretch fit classes, and on Wednesdays the Kids Clinic is on with Hilary McAdam and myself. Liam Delany and Campbell Maffett are also providing distance running clinics throughout each week.

Scott Lovell

If you require a discipline which is not listed feel free to get in touch with me because I do have more coaches I can refer you to.

Looking towards the future, the club would like to see a full-time coaching & development officer engaged. Ideally it would be great if it was from within our current coaching staff. The tasks that need performing are listed below. I hope to release an expression of interest coaching document after the AGM to determine which coaches wish to continue their support services to registered Athletics Victoria Collingwood club members.

- Athlete enquiries and recommend coaching or training solutions
- Handle parent enquiries or queries
- Develop internal coaching clinics and mentoring opportunities
- Support & Promote AV development opportunities
- Co-ordinate weekly coaching sessions and handle any venue congestion issues
- Provide annual coaching report and reviews for members and committee.

I would like to thank all the coaches and the committee for their time and commitment in supporting our members and I hope to see everyone back again for another year.

Scott Lovell

Interim Coaching Co-Ordinator

LIFE MEMBERS REPORT

It has been a sad year for our Club. Through the last eighteen months we have lost a number of members (and ex members) who, in their respective eras, have given much to Collingwood Harriers on and off the track. Among those departed are five Life Members and two past winners of the Club Five Mile Cross-Country Championship.

Life Members

Colin Murraylee was one of Victoria's leading decathletes in the late forties/early fifties. He was very unlucky to miss selection in the javelin at National level. Colin competed for many years for Collingwood and had an extensive career in the Masters competitions, setting many records as he moved through the age groups. Despite deteriorating eyesight (since the sixties), Colin continued to enjoy his athletics, amazing many with his ability to compete despite not being able to see.

Terry Lanham was a hurdler and an exponent of the horizontal jumps. He was a member of the Club's second A Grade Track Premiership in 1959. Terry served as the Club's Treasurer for a number of years before taking on the honorary task of Club Auditor, a role he held for 'half a century'.

John Watkins was a terrific hurdler and above average sprinter. His Club record for the 110m distance has stood since December 1979.

John Francisco was a son of our Club founder. A fine field games exponent in his day, he was a very keen follower of the Club's fortunes and a dedicated record keeper of the Club's exploits. It was John's aim to write a history. Hopefully there is somebody handy with a pen to take up the mantle.

Graeme Young was a very good middle distance runner with a best time of just over 1:52.0 for the 880 yards. He also ran cross-country for many years. Later in his career Graeme saw a need in the Club for field games competitors. Turning his hand to the throws, Graeme represented Victoria in both the hammer and discus and gained many points in the Saturday club competition for many years.

Five Mile Winners

Bill Morgan had only a relatively short career with Collingwood, mainly in the junior ranks, but did win our '5 Mile' twice, in 1953 and 1954. In 1953, he also won a Vic under 19 one-mile championship. Over the past twenty years he has rarely missed participating in our Parade of Champions each year at the running of The Five.

Derek Fife showed enormous promise as a junior in England, even making headlines as the next big thing in the sport. After moving to Australia, Derek lived at Yallourn and joined Collingwood upon moving to Melbourne. Although he never quite reached the dizzy heights predicted in England, apparently there was often an indication of what could have been. Derek won our Five Mile in 1957 and 1958, the first of which was in the fastest time ever to that stage. He was only just out of junior ranks at that stage.

There were three other gentlemen who also passed away during the year. Craig Francisco, son of the aforementioned John, died suddenly at aged 50. Craig, like his dad, participated in the throws. He also represented Victoria at Gridiron (American football). Pat Grigg was a long time member from the

early forties through to the early sixties with distance running his main forte. Les Ballard ran as a junior in the late forties. He wasn't seen around the Club for many years, until his two sons joined in the mid sixties. Les became involved with the Club again and was a terrific supporter and worker for the Club. Les and his wife Helene, retired to Queensland many years ago, but it was great when Les flew down to attend the Five Mile a few years back. It was the first time Les had seen the 'new clubrooms'.

The COVID19 situation has curtailed many of the Club's activities and as a result the opportunity for our Life Members to participate in Club life has been severely restricted in recent times. However, a keen interest is still shown by many of our decorated members, and we can rely on them for support in many aspects of the operation of the Club.

Nominees for Life Membership

At this year's Life Members AGM, two members were nominated to join the ranks of those who have served the Club in an exemplary manner for many years.

Ian Fisher has worked as a Club official for over twenty years. Never a competitor with Collingwood, Ian joined us when his daughter transferred in to run many years ago. Ian has rarely missed a Saturday afternoon in the summer seasons in all that time. He has also served as a Club delegate to Athletics Victoria for a number of years.

Christopher Boylen has done 'nearly everything' in his time with the Club. Chris had a short time with us as a relative youngster, but it wasn't until many years later that he came down to the Masters with his dad Mike (also a LM). Chris got interested in the caper again and joined up and hasn't looked back, initially competing in both the summer and winter competitions. Chris won our Club Decathlon Championship a couple of times. But in recent years he has become the pole vault guru of the Club. He has studied the craft and has become very well known as a coach in the discipline over the past decade or more. His athletes have performed well at State level and the Club has certainly benefitted from his work. Chris has also been a member of our committee for some years now, and has filled roles as Club delegate to both AV and the Red Zone in the summer competition.

Congratulations to both men!

CITY OF YARRA KEY PERFORMANCE INDICATORS

The Club has the use of the track and clubroom facilities at the George Knott Reserve pursuant to a licence agreement with the City of Yarra.

The current licence agreement commenced on 18 October 2018 for a term of 5 years. Pursuant to the agreement the Club is required to comply with the following key performance indicators. At the end of the first year of the licence, the Club must report to the City of Yarra its compliance with the required measures.

It is anticipated that this reporting will be done via the Club's annual report.

Objective One: Planning

To plan for and deliver quality sports services and programs that meet the changing needs of the Yarra community and result in increased levels of participation and wellbeing.

Council Actions	Sports Club Actions	Expected Outcomes	Measure
Monitor Sports Club Usage Agreements, collate data on sports participation and evaluate social obligation initiatives	Provide Council with annual membership numbers including members postcodes, gender and age breakdowns.	Maintain or increase participation levels at the club	Information provided to council by 1st October each year. Provide Council with Annual Membership figures and breakdown of types of membership categories. Club provide Annual Financial Statement
Monitor costs of participation for local sport and recreation	Provide Council with annual hire fees and charges for booking of George Knott Athletics Facility Provide Council with annual membership fee	Facilities are accessible and costs to participate are managed	Information provided 1st of October each year

Objective Two: Participation

To increase access to and participation in sporting activities for the Yarra Community.

Council Action	Sport Club Action	Expected Outcomes	Measures
Work with local sports clubs, sporting associations and State Sporting Associations (SSA's) to develop appropriate entry pathways for social housing tenants, CALD communities, older adults, women, young people and people with a disability.	Club to promote athletics to local communities. Seek new partnerships with local schools and community groups to increase participation	More people are introduced to Athletics as a sport	Club to report to Council activities and initiatives that drive new participation. This may be through AGM minutes
Inclusive Clubs	Club to promote and encourage gender equity and participation	Committees are diverse and inclusive places	Club provide Council a listing of club committee members and positions each year. Club to promote female inclusion and access to athletics

Objective Three: Promotion

To increase residents' awareness and knowledge of local sport opportunities

Council Actions	Sports Club Actions	Expected Outcomes	Measures
Promote activities and events that encourage participation in sport and recreation	Club to maintain website and social media	Club information is accessible	Website and social media is up to date Council to provide listing of the club on CoY website and on social media

Objective Four: Club Capacity Building

Council Actions	Sports Club Actions	Expected Outcomes	Measures
Assist and encourage sports clubs to become registered and accredited with relevant SSA and Government programs and activities.	Collingwood Harriers is affiliated with Athletics Victoria	CHAC is a registered venue for Athletics	
Council training and information sessions	Club to attend Council training and information sessions	At least 1 member of CHAC attend each session	100% attendance
Child Safety Act	CHAC committee to develop policies that ensure club and members compliance with Child Safety Act 2015	All children and volunteers are protected. All club volunteers have valid Working with Children accreditation	Any reports of incidents are reported to Council within 5 business days of being lodged.

Objective Five: Facilities

To plan for and manage Yarra sports facilities in a manner that maximises opportunities for participation in sport whilst protecting and improving the facilities and open spaces.

Council Action	Sports Club Actions	Expected Outcomes	Measures
Council is committed to improving the accessibility, functionality and carrying capacity of its sport facilities.	Collingwood Harriers to maintain the interior of the facility	Facility is well maintained	Club and Council follow Maintenance Responsibilities. Any maintenance requests are actioned within council timeframes
Council to provide Collingwood Harriers with yearly fixtures	Collingwood Harriers to submit list of required winter dates as AV provides calendar	That the facility is used and responsive to the needs of the Yarra community	Council to provide to CHAC within 5 business days of publication any information on Winter Season commencement dates
Implement a range of new procedures and agreements for maximising use of Council facilities and grounds including new tenure agreements, a new fees and charges structure and incentives to promote greater participation in sport.	Collingwood Harriers to continue to coordinate bookings for schools and other hirers. This includes opening of facility & cleaning at conclusion of event.	Usage of the facility is managed and trends are identified	CHAC to provide to council quarterly booking report

STATEMENT OF CASH FLOWS For the year ended 31 March 2021

2020 Note \$ \$

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

a. This financial report is a special purpose financial report prepared for use by directors and members of the company. The directors have determined that the company is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the following Australian Accounting Standards:

AASB 1031: Materiality

AASB 110: Events after the Balance Sheet Date

The financial report is prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

b. Property, Plant and Equipment

Property, plant and equipment are carried at cost, independent or directors' valuation. All assets, excluding freehold land and buildings, are depreciated over their useful lives to the company.

c. Inventories

Inventories are measured at the lower of cost and net realisable value. Costs are assigned on a first-in first-out basis and include direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenses.

NOTE 2: CASH FLOW INFORMATION

For the purposes of the statement of cash flows, cash includes cash on hand and in at call deposits with ban	ks or
financial institutions, investments in money market instruments maturing within less than two months, net of	bank
overdrafts	

a. Reconciliation of Cash

Cash at the end of the reporting period as shown in the statement of cash flows is reconciled to the related items in the statement of financial position as follows :

Cash on hand 160,658.05 135,787.64

These notes should be read in conjunction with the attached compilation report.

b. Reconciliation of CashFlow from Operations with Profit from Ordinary Activities after Income Tax

Surplus after income tax	24,870.41	(1,421.32)
Cash flow from operations	24,870.41	(1,421.32)

Scope

We have audited the attached financial report, being a special purpose financial report of Collingwood Harriers Athletic Club Inc for the year ended 31/03/2021. The company's directors are responsible for the financial report and have determined that the accounting policies used and described in Note 1 to the financial statements which form part of the financial report are consistent with the financial reporting requirements of the company's constitution and are appropriate to meet the needs of the members. We have conducted an independent audit of the financial report in order to express an opinion on it to the members of Collingwood Harriers Athletic Club Inc . No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

The financial report has been prepared for distribution to members for the purpose of fulfilling the directors' financial reporting requirements under the company's constitution. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report, and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with accounting policies described in Note 1, so as to present a view which is consistent with our understanding of the company's financial position, and performance as represented by the results of its operations and its cash flows. These policies do not require the application of all Accounting Standards and other mandatory professional reporting requirements in Australia.

The audit opinion expressed in this report has been formed on the above basis.

Audit Opinion

In our opinion, the financial report presents fairly in accordance with the accounting policies described in Note 1 to the financial statements, the financial position of Collingwood Harriers Athletic Club Inc as at 31/03/2021 and the results of its operations and its cash flows for the year then ended.
