## **On our cover:**

Collingwood Harriers athletes at the Tokyo 2020 Olympics.  
Left to right: Hana Basic, coach John Nicolosi, and Kendra Hubbard.

38<sup>th</sup> Annual Report for Collingwood Harriers Athletic Club Inc. (registered 9 October 1984) incorporating Kew-Camberwell Athletics Club. This report has been prepared for the club AGM on 4 August 2022. The report represents the 96<sup>th</sup> Annual Report of the Collingwood Harriers Athletic Club, founded in 1926 (affiliated with Athletics Victoria on 14 April 1926).

## **COLLINGWOOD HARRIERS ATHLETIC CLUB MISSION STATEMENT**

We are a friendly and supportive athletic club that aims to create an environment of inclusivity and community, and encourages health and wellbeing for all members. We provide training opportunities at our own athletic track and Clubrooms in Clifton Hill, and Summer and Winter competition through Athletics Victoria.

Chiara Santiglia competing for Victoria at Sydney Olympic Park

# **PRESIDENT'S REPORT**

As President of Collingwood Harriers during this last year, it is my proud responsibility to present to you the Annual Report of Collingwood Harriers Athletic Club, and to report to you on the activities of the Club and its Committee for the period from 1 April 2021 to 31 March 2022.

2021–22 was yet another year impacted by the global COVID pandemic, and athletics was no exception. Our Club Winter Championships did not take place, although between lockdowns we did manage to hold the Collingwood Classic Event which included 5k & 10k track based races along with our 100 Yards Championships.

Given the easing of COVID restrictions towards the end of the winter 2021 season the Athletics Victoria summer Track & Field was able to commence with a compressed summer calendar and we thank AV, their Staff, Officials, and our Volunteers for making it possible to compete during the summer period.

I would also like to mention how important it is for all of us to continue to support and collaborate with our junior and masters clubs at the venue and with our wider community and hirers, as this is vital if we are to offer positive experiences and grow our future membership and our sport.

Finally, a special thank you to all our club officials and volunteers who assisted at summer shield, cross country, and our own events. Without your support life would be a little more challenging to say the least!

## **CLUB COMMUNITY PARTNERSHIPS**

It is my great pleasure to announce that Collingwood Harriers is embarking on a community sporting engagement program with Fitzroy High School to allow the students to experience the venue and equipment resources available to them outside of their own school environment. The City of Yarra has provided the club with a grant application to support the program.

It is hoped that the students will gain some great life experiences to help them understand training processes in a club environment, embrace commitment, challenges and collaboration, and receive a sporting learning experience as a track & field athlete. The club will provide some visits from prior Olympic athletes to share their experiences and provide support to the program. Thanks to those coaches who are intending to support the program. Also, I would like to thank the Clifton Hill Running Company for their ongoing support to the club and its members.

## **TOKYO 2020 OLYMPICS**

Huge congratulations to our two members who competed at the Tokyo 2020 Olympics, Kendra Hubbard and Hana Basic, and their coach John Nicolosi. Their names will be added to our Honour Board. A report on their Olympics participation can be found later in this Annual Report.

## **CLUB ASSETS & VENUE**

The Club has a wide range of equipment used for athletics training and competition, with a valuation of around \$250,000. An audit is due to be carried out and will be a task for the next Committee.

For the future there are some key facility upgrades required to keep the venue in line with current safety standards and IAAF standards.

We have been working with the City of Yarra for funding on a discus cage as the present cage does not meet safety standards nor IAAF standards and will require an investment of around \$60,000 and be subject to Council approval. The COY has allocated funding and we are waiting for the contractor to submit plans and final costings. Disability access will be included in the project which is planned for November 2022.

We have also been in discussion with COY about a future D-Link project to continue to incorporate the revised pole vault runways and hardstand areas to allow us to meet the current standards for pole vault. Costings will soon be submitted to the COY. We have also been discussing venue lighting upgrades, possible building upgrade in 5 years' time and future track upgrades. Working groups will be established with the COY on these projects to capture the needs and wants of the user groups at the venue. We have also discussed expanding bike rack capacity, hopefully to be completed before the summer season commences again.

A public toilet has been installed by the COY. Work undertaken by committee members and club members has also seen a revised gym layout and some new equipment purchased and installed within the space.

The old high jump mats have been sold and the old high jump shed was donated (to a good home of a prior member of the club) to clear the high jump fan area.

The announcer's room is also a future target for a refit, based upon feedback from venue hirers, with complaints having been received about tidiness and access to the area. The internal configuration & storage of club material is a concern as items are open to venue hirers. The recommendation is to purchase a small footprint desk and filing cabinets to house current club assets.

On the venue maintenance side of things, the track has undergone its bi-annual clean, and new long jump boards and shot-put kick boards have been installed this year. We have also ordered 2 blanking trays for the runways as well to prolong the life of the new jump boards.

## **CLUB COACHING**

It was great to see some really good results from all our members this year maintaining our status in premier division.

It's great to see collaboration and support between the coaching groups energising our members via different programs throughout the year.

In terms of our coaches' learning and growth opportunities this prior year, I hope to see some more activity happen in this space moving forward as this will only strengthen our offerings and experiences to members. Well done to all the coaches for another challenging year.

I would like to welcome to the coaching group Evie Rosa who has completed her Level 1 Recreational Running certification. Evie has been working with juniors with some strength & conditioning activities and some running coaching whilst achieving some great results.

I also note that one of our coaches, Grant Sargent has achieved 50 years as a registered member of Athletics Victoria so well-done Grant on that great milestone!

## **FINANCES**

The Club's finances continue to be in good order. Despite the loss of income from track bookings during the pandemic, our financial position declined only very slightly over the year, due mostly to subscriptions from the more than 160 active members.

The Financial Reports show that we have an accumulated \$130,000 in available funds, and a further \$30,000 in a special purpose fund. An audited Finance Report is at the end of this Annual Report.

The arrangements for hiring the track to schools and users takes many hours of work, almost entirely done by our hard-working Treasurer Sofie Fabre. This is the major source of income for the Club, and if it were not for the many hours put in by Sofie, we would not be in such a good position financially, and of course it would not be as easy for schools to benefit from the availability of our track for their athletics carnivals.

## **RELATIONS WITH COUNCIL**

The Club and the Committee continue to maintain good relations with the City of Yarra Council (COY).

COY owns the athletic track and grounds and is effectively our landlord. Collingwood Harriers pays an annual Licence Fee to COY for our use of the track, which allows us to use and manage the track for hiring out to schools and non-profit organisations, and retain the hire fees, while COY pays for maintenance and general upkeep.

We are incredibly fortunate having an athletics track to hire out to users, a supportive and generous Council that pays for track maintenance and general repairs and upkeep, and a relatively modest Licence Fee to Council for our use of the track. In turn, the Club charges schools and community groups a relatively low hire fee for their use of the track.

The Licence Fee to Council of \$5500 plus GST plus CPI will continue for 5 years which ends in 2023. I note that Council asks that the Club contribute to servicing sanitary bins, \$1656 annually and to a trust fund for future repairs to the track, and to take responsibility for some minor maintenance at the venue.

Identifying venue patronage is key for supporting future government funding. The community use the venue when athletic clubs are not present, but we do not know how many. Entry gate sensors would assist to identify visitor numbers and is still an open item at the time of writing this report. This data would be very helpful to us and as this will provide potentially more access to funding to support the venue and its future infrastructure. This must be implemented in 2022 season.

We appreciate the work done by Council staff, particularly Trent Carpenter on the Recreation team.

## **GOVERNANCE**

The Constitution mandates that the Committee will meet at least four times during the year, and I am pleased to say during this reporting year, the Committee exceeded the above standard, meeting in most months.

At the last AGM the outcome for the election of the Committee was that 6 continuing executive members were returned and the position of Administration Manager was declared vacant. The ordinary members saw 4 members elected, with Nicolas Rosa coming on to the Committee for the first time.

At the time of writing this report I believe the existing committee members are happy to continue with Andrew McAdam stepping down as club secretary, although he will continue as an ordinary member on the Committee.

## **THANKS TO COMMITTEE MEMBERS AND OTHERS**

The work of a Committee relies on the contributions from its members. Our thanks go to the Committee members for their efforts during 2021–22 but there is still a lot of work to be undertaken and we would welcome the opportunity for others to join us to assist in future objectives such as:

- Social Media & Website Revamp
- Club Merchandise Offering
- Future Venue Infrastructure Planning
- Future Community Objectives Planning
- Volunteering Acknowledgements & Recognition Review
- Club Special Events Planning (CHAC Classic, VAL, etc)

Thank you to all our club officials and volunteers who assisted over the year and congratulations to Christine Dell for obtaining her Level 3 Officials accreditation this year with a 93% pass rate!

### **Committee Members & Positions:**

President (& Interim Coaching Coordinator) – Scott Lovell

Vice President – Jim Hopkins

Secretary – Andrew McAdam

Treasurer – Sofie Fabre

Register, Records, Summer Manager, AV Zone Committee Member – Stephen Griffiths

Winter Co-Ordinator - Campbell Maffett

General Committee Member & AV Zone Committee Member - Chris Boylen

General Committee Member – Nicolas Rosa

General Committee Member – Lou Santiglia

General Committee Member – Andrew Dawson

## **IN CONCLUSION**

We look forward to the Committee's work, and the Club's activities, over the next year 2022–23.

### **Scott Lovell**

President 2020–22

# WINTER SEASON REPORT

Once again, COVID wreaked havoc on the 2021 XCR season, with only 3 rounds (of 10) being held before lockdowns and restrictions forced the cancellation of the season.

Once again Athletics Victoria made great efforts to re-schedule events, but alas it ended up being to no avail.

During the 3 rounds that were held, which included the Jells Park XC relays, Lardner Park XC and Cruden Farm XC, our club had solid team results with a podium team highlights being:

2nd place by 50+ men at Cruden Farm

3rd place by Div men at Lardner Park

3rd place by 40+ men at Cruden Farm

3rd place by 60+ men at Cruden Farm

Individual highlights included:

1st place in 50+ men by Magnus Michelsson at Cruden Farm

3rd place in Open women by Amy Robinson at Cruden Farm

While our men's team is strong and with some good depth, the women's team has continued to have small numbers in a continuation of 2020, which is something the club will need to address.

The second Collingwood Classic event was held, this time on a Saturday afternoon / evening in April, featuring 5000m and 10,000m races. The event was smaller this time, perhaps suffering from a crowded calendar of similar event options around the same time. Nonetheless, the weather was once again fantastic, and the races were keenly contested by the runners. It is recommended that the club re-consider the date of the event for the next running of it, in an effort to establish it as a regular feature on the calendar.

## **Campbell Maffett**

Winter Team Coordinator 2019–22

# SUMMER SEASON REPORT

The Club's promotion into the top division for the 2021–22 State League produced a mix of excitement and trepidation. Excitement because we were back where we had hoped to be and trepidation because we knew that we had a massive job ahead of us to hold our place in the Premier Division.

There seemed to be three main questions:

- Did we have enough athletes to match it with the other Premier Division clubs?
- Would enough of these athletes turn up each week?
- Could we hang on to our spot at the top level?

The answers turned out to be:

- Just enough.
- No!
- Yes – by the skin of our teeth.

We had 86 different athletes compete at some stage during the season. However, the most we had on any one week was 57. A number somewhere around the low forties was the usual turn up. The teams that made the final four generally had 60+ athletes in uniform each and every week. Collingwood must aim to have *a lot* more athletes on the track *every week* if we want to be a force in the competition. It is also fair to say that with two reasonably strong clubs being promoted from Divvy 2, we will need to do a lot better than last season to again maintain our place in the Premier Division.

Having mentioned all that, there is no doubt that there were some very good performances produced throughout the season by some very dedicated members of our Club. These performances were highlighted in the weekly reports issued during the season, but it would be remiss not to mention here the record-breaking spree produced by Marcus Wakim in the walking events in the first few weeks of the season. It was as if every time he stepped on the track another Club Record would tumble. Charles Barrett, while not quite as prolific, was not far behind in his efforts in the middle-distance events in the under 16 group. Max Luke joined the Club mid-season and showed a lot of potential after the Christmas break with a string of high quality personal bests on the track.

Allison Bruce and Marty Galea were successful in winning the Club Summer Points Awards named after Club stalwarts Kirralee Radford and Colin Murraylee. Congratulations to both these worthy winners. In her first season of athletics, Allison showed herself to be a terrific soldier for the Club, being the only female to do every week of competition. Marty also fitted into that group, but was joined by Jim Sayer, Andrew Close and a trifecta of Dells, Tony, Liam and Kieran as members who didn't miss a round.

There were a number of juniors who competed with our Club for the first time during the season and showed a lot of promise for the future. A quartet who competed often and did well were Joseph Anderson, Lucy Delbridge, Piper Hartnett and James Alex. Some others, obviously with better than average talent, who we would like to see a lot more of include Natasha Gurtler, Ruby Callahan, Ferdinand Faeth, Finn McNamara, Lara Brown, Max Brown, Amelie Gilchrist, Alexander Picken and Bentley Crisp.

Mention must again be made of Bob Gardiner who competed in his 68<sup>th</sup> Summer Season – a truly wonderful effort. May there be many more!

Many of our athletes went on to participate in the Victorian Championships – a list of place getters can be found later in this report – and fourteen Magpies made the trip north to Sydney for the National Championships.

Thank you, to all those who assisted as Club Helpers during the season. Unfortunately, clubs are required to fill these positions on most weeks. It is always a struggle to get the required number, and as noted later it often falls to the athletes themselves to work around their own events to save the Club from loss of points on the day.

Thank you also to the Club members who go out of their way to assist our sight impaired club mate, Andrew Close, in his efforts to score points for the Club.

Let's hope that the upcoming season can see Collingwood Harriers up near the top of the ladder with a multitude of black and white uniforms on show each and every week.

### **Steve Griffiths**

Summer Team Coordinator 2021–22

# COVER STORY:

## OLYMPICS REPORT: TOKYO 2020

*Two members of Collingwood Harriers competed at the Tokyo 2020 Olympics (held July & August 2021), Hana Basic and Kendra Hubbard, with their coach John Nicolosi. Below is John's report.*

In many ways, as fast as it was approached, it has disappeared into the distance. Tokyo was a whirlwind. A whirlwind of anticipation, uncertainty and lots of Covid testing. The Olympic experience was the first for Hana Basic, Kendra Hubbard and myself as the coach. And to say that it was a humbling adventure is an understatement. The sheer size of the event, the amount of coordination and planning that goes into every detail from accreditations to uniforms, buses to call rooms. The planning is immense and overwhelming at times.

Tokyo itself is an amazing city. Unfortunately due to COVID, our viewing was confined to the many transport buses that we took to training and competition venues each day. With protocols requiring us to be confined to our accommodations, we will have to return in the future to explore the streets. The July and early August weather was hot and extremely humid, meaning that extra preparation was required to work around the heat and its energy sapping effects. Thankfully, most of this was made up for in the fantastic set up of the village (multiple food halls, entertainment hall, gift shops) and the extensive resources set up by the Australian Olympic Committee in the Australian building. These were second to none, allowing athletes and staff to get the most out of the team atmosphere and their performance.

For the athletes the job is pretty simple at the end of the day. Run as fast as you can when you step on the track. But in many ways, this can be one of the hardest things to pull off. Running under the bright lights of the Olympic stadium, the moment was not lost on any of us. With emotions high, and experience in this arena fleeting, I can say that the athletes probably wanted more out of themselves on the day (Hana bowing out in the heats of the 100m and Kendra as part of the 4 x 400m relay not advancing to the final). However, it definitely has not soured the experience and the knowledge gained from our involvement in the games. It provided us with a huge amount of information about competing at that level, understanding the sheer enormity of such events and motivating us for the future.

The most enjoyable part of the whole experience has been the ongoing support, kind words and encouragement that we have all received before, during and after. It is not lost on us where we come from and we are grateful to everyone who has shown us support along the way.

**John Nicolosi**  
B.Physio, M. ExSci

Kendra Hubbard Womens 4 x 400m relay Round 1 Heat 1 Team time 3:30.61 7<sup>th</sup>

# OFFICIALS REPORT

Collingwood Harriers continues to benefit from having a great bunch of highly qualified officials as members of our Club.

Over the past couple of years where the activities of the association have been curtailed by the presence of the dreaded COVID, the work of the officials has been evident predominately in the summer season. The past two winter seasons saw only three events held in total. Fortunately, both summer seasons were held, albeit with a few minor 'adjustments', and our officials were instrumental in the operation of those seasons at Club and Championship level.

Those listed (alphabetically) have put in many, many hours working for Athletics Victoria in their usual voluntary capacity to enable the successful conduct of athletic meetings where our athletes and those from other clubs participate. Our officials are:

Christine Dell, Tony Dell, Ian Fisher, Brian Moore, Jessica Newton, Matthew Webster, Kevin Wigmore and Tony Williams

All have been prominent in the operation of the sport in Victoria and to some extent on the National scene.

The Club also had a number of 'volunteers' provide assistance as 'Club Helpers' at the various Shield meetings. It is the aim of the Club to have non-competitors fill these positions when possible, but it is fair to say on most weeks the bulk of the work is done by our athletes putting in time between their commitments on the track or in the field! This is much appreciated, but less than desirable. If we could get a volunteer from each family associated with the Club to participate, their commitment would probably be only one week a season – not too onerous one would have thought! Perhaps, there will be a call for 'roster fillers' just prior to the next summer season due to start later this year! In the meantime, a sincere thank you to all who did assist during the last season – your efforts were very much appreciated.

**Steve Griffiths**  
AV Official

## **LIFE MEMBERS REPORT**

The activities of our very supportive Life Members' group are yet another feature of Club life to be severely affected by the pandemic evident in our community in recent months.

The very popular Life Members' Dinner held at the Clubrooms each November did not eventuate in either 2020 or 2021. Hopefully, everyone will be able to get together again this year. It is a chance for a number of long-time members to catch up and go over days gone by and remind one another of past glories – and there are plenty!

Our Life Members contribute to the running of our Club in a number of ways. While a number still compete and a few operate as officials, the involvement of many is limited to a more passive nature these days. Nevertheless, it is the efforts of this group that provides the funds to update the Honour Boards in the clubrooms and to provide the Blue Ribbons awarded to the winners of the Club Championships in both the 100 yards and 5 Mile events held annually (COVID permitting).

This group has often been called upon to assist the Club and has never been found wanting.

The Club continues to be indebted to this group of long-standing members.

**Steve Griffiths**

Life Member

## **SOCIAL MEDIA REPORT**

Over the past year the committee has taken an interest in improving the Club's online presence which currently includes a website (<http://collingwoodharriers.org>), a Facebook page (<https://www.facebook.com/CollingwoodHarriers>), and a private Facebook group (<https://www.facebook.com/groups/7305921030/>).

The club website is a rich source of historical and current information about the Club, although the style of the website has aged and the committee intends for it to be updated. The private Facebook group is a place where members are able to find and communicate with one and another. This is intended to be used for organising car-pooling, sharing photos, etc. The private Facebook group is the most active online location for the club. The Facebook page is for sharing information about the Club and events with the public, however, this has not been updated recently. To improve the Club's online presence and better promote the Club, the committee would like to expand the online presence to include a broader range of social media (Instagram, Twitter, etc.) and increase the activity on the public areas.

**Nick Rosa**

Committee Member

# AUSTRALIAN & STATE MEDALLISTS 2021–22

## AUSTRALIAN CHAMPIONSHIP MEDALLISTS

### GOLD

Marcus WAKIM	Under 17	5000 Metres Walk

# CITY OF YARRA KEY PERFORMANCE INDICATORS

The Club has the use of the track and clubroom facilities at the George Knott Reserve pursuant to a licence agreement with the City of Yarra.

The current licence agreement commenced on 18 October 2018 for a term of 5 years. Pursuant to the agreement the Club is required to comply with the following key performance indicators. At the end of the first year of the licence, the Club must report to the City of Yarra its compliance with the required measures.

It is anticipated that this reporting will be done via the Club's annual report.

## Objective One: Planning

To plan for and deliver quality sports services and programs that meet the changing needs of the Yarra community and result in increased levels of participation and wellbeing.

Council Actions	Sports Club Actions	Expected Outcomes	Measure
Monitor Sports Club Usage Agreements, collate data on sports participation and evaluate social obligation initiatives	Provide Council with annual membership numbers including members postcodes, gender and age breakdowns.	Maintain or increase participation levels at the club	Information provided to council by 1st October each year.  Provide Council with Annual Membership figures and breakdown of types of membership categories.  Club provide Annual Financial Statement
Monitor costs of participation for local sport and recreation	Provide Council with annual hire fees and charges for booking of George Knott Athletics Facility  Provide Council with annual membership fee	Facilities are accessible and costs to participate are managed	Information provided 1st of October each year

## Objective Two: Participation

To increase access to and participation in sporting activities for the Yarra Community.

Council Action	Sport Club Action	Expected Outcomes	Measures
Work with local sports clubs, sporting associations and State Sporting Associations (SSA's) to develop appropriate entry pathways for social housing tenants, CALD communities, older adults, women, young people and people with a disability.	Club to promote athletics to local communities.  Seek new partnerships with local schools and community groups to increase participation	More people are introduced to Athletics as a sport	Club to report to Council activities and initiatives that drive new participation.  This may be through AGM minutes
Inclusive Clubs	Club to promote and encourage gender equity and participation	Committees are diverse and inclusive places	Club provide Council a listing of club committee members and positions each year.  Club to promote female inclusion and access to athletics

### Objective Three: Promotion

To increase residents' awareness and knowledge of local sport opportunities

Council Actions	Sports Club Actions	Expected Outcomes	Measures
Promote activities and events that encourage participation in sport and recreation	Club to maintain website and social media	Club information is accessible	Website and social media is up to date  Council to provide listing of the club on CoY website and on social media

### Objective Four: Club Capacity Building

Council Actions	Sports Club Actions	Expected Outcomes	Measures
Assist and encourage sports clubs to become registered and accredited with relevant SSA and Government programs and activities.	Collingwood Harriers is affiliated with Athletics Victoria	CHAC is a registered venue for Athletics	
Council training and information sessions	Club to attend Council training and information sessions	At least 1 member of CHAC attend each session	100% attendance
Child Safety Act	CHAC committee to develop policies that ensure club and members compliance with Child Safety Act 2015	All children and volunteers are protected.  All club volunteers have valid Working with Children accreditation	Any reports of incidents are reported to Council within 5 business days of being lodged.

### Objective Five: Facilities

To plan for and manage Yarra sports facilities in a manner that maximises opportunities for participation in sport whilst protecting and improving the facilities and open spaces.

Council Action	Sports Club Actions	Expected Outcomes	Measures
Council is committed to improving the accessibility, functionality and carrying capacity of its sport facilities.	Collingwood Harriers to maintain the interior of the facility	Facility is well maintained	Club and Council follow Maintenance Responsibilities.  Any maintenance requests are actioned within council timeframes
Council to provide Collingwood Harriers with yearly fixtures	Collingwood Harriers to submit list of required winter dates as AV provides calendar	That the facility is used and responsive to the needs of the Yarra community	Council to provide to CHAC within 5 business days of publication any information on Winter Season commencement dates
Implement a range of new procedures and agreements for maximising use of Council facilities and grounds including new tenure agreements, a new fees and charges structure and incentives to promote greater participation in sport.	Collingwood Harriers to continue to coordinate bookings for schools and other hirers. This includes opening of facility & cleaning at conclusion of event.	Usage of the facility is managed and trends are identified	CHAC to provide to council quarterly booking report

Ms Sophie Fabre  
Collingwood Harriers Athletic Club Inc  
Email: sofie.fabre@gmail.com

Dear Sophie,

We advise having completed the audit of the financial statements for the **Collingwood Harriers Athletic Club Inc** for the year ended 31<sup>st</sup> March 2022 and enclose the following signed documents:-

- Financial statements
- Audit report

Thank you for your assistance with the audit.

Yours faithfully,  
**RANKIN & YOUNG**

**COLLINGWOOD HARRIERS ATHLETIC CLUB INC**  
**ABN 77 721 165 688**

**NOTES TO AND FORMING PART OF THE ACCOUNTS**  
**FOR THE YEAR ENDED 31st MARCH 2022**

---

**Note 1 – Statement of Accounting Policies**

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Reform Act 2012* and the Club's Constitution. The Committee has determined that the entity is not a reporting entity and therefore there is no requirement to apply Accounting Standards and other mandatory professional reporting requirements in the preparation and presentation of these statements.

The statements are prepared on an accrual basis. They are based on historic costs and do not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:-

- (a) Goods and Services Tax (GST)**  
The Club is not registered for GST, so GST incurred is not recoverable from the Australian Taxation Office. The GST is recognized as part of the cost of acquisition of the asset or part of an item of expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.
- (c) Cash and Cash Equivalents**  
Cash includes on hand and at call deposits with banks or financial institutions, investments in money market maturing within less than three months and net of bank overdrafts.
- (d) Revenue**  
Revenue is recognized on a cash basis as and when received.
- (e) Income tax**  
No provision for Income Tax has been raised as the Club is exempt from Income Tax under Division 50 of the Income Tax Assessment Act 1997.

**COLLINGWOOD HARRIERS ATHLETIC CLUB INC**  
**ABN 77 721 165 688**

**STATEMENT BY MEMBERS OF THE COMMITTEE**

---

The Committee has determined that the Club is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Committee the accompanying accounts:-

- 1) present a true and fair view of the financial position of the Collingwood Harriers Athletic Club Inc as at 31st March 2022 and its performance for the year ended on that date;
- 2) at the date of this statement, there are reasonable grounds to believe that the Collingwood Harriers Athletic Club Inc will be able to pay its debts as and when they fall due.

This statement is made in accordance with a Resolution of the Committee and is signed for and on behalf of the Committee by:

S Lovell

Dated this 6th day of July 2022

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF THE CLUB INC  
ABN 24 727 639 586**

---

**Report on the Audit of the Financial Report**

**Opinion**

We have audited the financial report of the Collingwood Harriers Athletic Club Inc (the Club), which comprises the statement of financial position as at 31<sup>st</sup> March 2022, the statement of financial performance for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the Club.

In our opinion, the accompanying financial report gives a true and fair view, in all material respects, of the financial position of the Club as at 31<sup>st</sup> March 2022, and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the requirements of the *Associations Incorporation Reform Act 2012*.

**Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Club in accordance with the ethical requirements of the Accounting Professional and Ethical Standard Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of Matter – Basis of Accounting**

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the Club to meet the requirements of the *Associations Incorporation Reform Act 2012*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

**Responsibilities of Management and Those Charged with Governance for the Financial Report**

The Committee is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the *Associations Incorporation Reform Act 2012* and for such internal control as the Committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Club or to cease operations, or has no realistic alternative but to do so.

**Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Club to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Signed

Megan J Young
